PHILOSOPHY

Conceived by Hunters for Hunters' is both the philosophy and reality of the Hunting Retriever Club, Inc. ("HRC"). A non-profit, a totally volunteer organization with the exception of an Administrative Secretary, HRC is democratically governed by a Board of Directors and an elected Executive Committee.

PR Reps and Club Presidents:

Please take advantage of all our sponsor offerings. The term raffle item doesn't just limit you to raffle items at a hunt test. Use these items to promote your club and club members as it benefits your club. Use it at a public events, hunt test, club Christmas party or membership achievements. These items are offered for clubs to use them as needed to promote HRC's philosophy and it's members.

Take time throughout the year to share a post or thank our sponsors on your website or social media. Tags and contact information for each one are provided.

Local area supporters, vendors or area businesses are welcome. Please reference them as supporters or local club sponsors. This allows for all businesses to be recognized and thank' d with the proper wording. National Sponsors should be referenced as such or referenced as their National level listed on this handout.

Feel free to reach out to any of the sponsorship committee if you have questions or need assistance with any of our sponsors.
