INHERENT RIGHTS AND POWERS OF UKC

*(Revised December 18, 2009)

United Kennel Club holds and has reserved to itself certain inherent rights and powers in connection with conducting its business, registering litters, transferring registrations of dogs, licensing events, and awarding titles. These inherent rights and powers include but are not limited to the following:

United Kennel Club has the right to inspect all reports, scorecards and documents related to UKC events. Some, but not all, of the items subject to inspection are:

- a) scores;
- b) disqualifications of dogs for fighting or other reasons;
- c) errors by the recording person; and
- d) documentation excluded for any reason.

UKC reserves the right to correct any mistakes found during such inspection whether or not the document has the signature of a Judge or Club Officer.

UKC reserves the right to itself and in its sole judgement and discretion, to take such actions and impose such sanctions as would:

- a) Bar an individual from entering or participating in any way in any UKC licensed event.
- b) Bar an individual from transferring or registering any pups or dogs in that person's name (joint or full registration) or to any member of that person's family.
- c) Bar an individual from receiving Championship points for any dog registered in that person's name (joint or full registration).

By way of illustration, the following constitute some, but not all, of the situations calling for the above sanctions:

- a) Falsification or alteration of a UKC Registration Certificate, Pedigree, UKC Easy Entry™ Card or any other UKC document.
- b) Falsification or alteration of any reports of wins issued to UKC.
- c) Falsification or alteration of receipts issued by UKC Judges.
- d) Switching, wrongfully using or attempting to use a UKC Registration Certificate, Pedigree, UKC Easy Entry™ Card or any other UKC document.
- e) Selling or attempting to sell a dog with false or incorrect UKC Registration Certificate or Pedigree.
- f) Intimidating, threatening, or injuring a Judge, Club/Association member or official, event participant or spectator, or UKC representative.

The six illustrations given above are only by way of example and UKC reserves to itself its inherent right and power to impose such sanctions in any other circumstances deemed appropriate by UKC.

Any individual who is found guilty by a court of law of a crime involving dogs will be barred from United Kennel Club for an indefinite period. A person shall be considered guilty in a criminal proceeding if they are convicted by a judge, jury, or if they enter a plea bargain or other arrangement to plea to a lesser offense, or if their case is disposed of by any form of deferred adjudication; a person shall be considered guilty in a civil proceeding if they are held responsible or liable by a judge, jury, or if a compromised settlement is reached between the parties.

ON OUR COVER

HRCH GOLD EAGLES RENO BOTTOMS SHOWDOWN

Owned by Andrea Ellingson and photographed by Charles Alex Ellingson. "Reno" is everything a field-bred golden should be and is an excellent representation of the breed and UKC standards. He is a do-all dog and excels in hunt tests, and is an incredible duck dog, picking up over 100 ducks per season. Off the field, he is Man's Best Friend, joining his family shopping, eating at patio restaurants, fishing, boating, camping, and even did a perfect job as the ring bearer in our wedding.

Dear HRC Members,

As we are near the end of a very hot, dry summer in Southwest Arkansas, please remember that dog safety remains our highest priority during these challenging training conditions. I look forward to the cold; crisp fall mornings filled with sounds of waterfowl.

Several years ago, our home club lost a great friend and member, Steve Lach, to dementia. In his honor, we dedicated the proceeds from our fall test to our local Alzheimer's and Dementia chapter.

As the hunt test chair, I reached out to some of Steve's favorite judges and handlers to help us host a successful and memorable test. Despite facing 100-degree heat both days while running full flights of dogs, our judges and handlers worked tirelessly without complaint. We also hosted a wonderful banquet and a raffle filled with generous items from our sponsors.

Events like this truly highlight what makes HRC so special, and I could not be prouder to be a member.

I am pleased to share several important updates regarding the Hunting Retriever Club:

UKC Online Points System: Field testing of the new online points system is underway with positive initial results. We plan to integrate additional clubs next year, aiming for full adoption across all clubs by spring 2028.

Administrative Support: To support our significant organizational growth over the past five years, the Executive Committee is hiring a part-time employee in the Kalamazoo area. This role will assist Ms. Tammy with points recognition and Purina and Garmin orders. We aim to fill this position as soon as possible.

Accounting and Payroll Services: King and Walton PLLC will cease providing payroll services for HRC effective December 31, 2026. Following recommendations from the audit committee, Kristine is working to engage a new firm to oversee our financials and payroll management.

Publication and Staffing Updates: We hope you are enjoying the new updated layout of Hunting Retriever magazine, developed by UKC. Please note recent staffing changes at UKC Hunting Ops: Lacey is on maternity leave, and Lexi has departed to pursue other opportunities. (Gina Smith has moved from the Marketing Team to Hunting Ops and is ready to assist.)

Upcoming Executive Committee Elections: Executive Committee elections will take place next June. Pat Johnson and I intend to run for re-election. Sarah Krause and Kristine Odden will be concluding their second terms. I want to sincerely thank Sarah and Kristine for their dedicated service to our organization.

If you have any questions or concerns, please reach out to me or any member of the Executive Committee.

Thank you for your continued dedication to the HRC. I love HRC, the people, and the dogs. God bless you all.

Sarah Krause, Secretary

We are in full fall hunt test season, and I have had a great time judging and attending tests across our region. I always enjoy meeting new handlers, introducing them to HRC, and making new friends.

In September, I had the honor of judging the Started flight with a dear friend at the Four States Hunt Test to benefit the Alzheimer's Alliance and honor our friend, Steve Lach. Despite the heat, it was a wonderful weekend spending time with the HRC family and meeting Steve's family. You can find more details about this event in Glen's article. The weekend before, I also helped celebrate Sunflower RC's 10th anniversary in Kansas.

On a personal note, Kyle and I recently brought home a sweet black Lab puppy named May. I look forward to training her and running hunt tests with her soon.

Kristine Odden, Treasurer

Greetings from a burnt-up Oklahoma! We have had well over 30 days of triple digits with heat index of almost 120 degrees, and this is in northeast Oklahoma... I can't imagine the temps and heat index down in our southern states! I'm sure most everyone is ready for the much-anticipated cool down with Fall and upcoming hunting season.

Other than the heat, I hope that your summer went well with some relaxation and time spent with your retrievers. In looking back at my summer, it went by so quickly with lots of traveling to hunt tests to judge, training days, ladies handler seminar to learn and grow as a handler, and even a little bit of vacation thrown in there. But in all our travels, what I enjoy most is meeting new people, seeing friends old and new, and working hard to make HRC even better!

As of this writing, my little pup, Jenny successfully ran her first four hunt tests and earned her Started title at our home club at Three Rivers HRC's Wood Duck Wally's 17th anniversary test. What made her tests so special was getting to run under some judges that I truly consider close friends in the HRC family. Whether she would have passed her tests or not, it was such a joy to have some awesome judges with years of experience to run under. Now to continue the journey of training... I've heard many times the phrase, "it takes a village to train a dog" and it's so very true! Jenny and I have had a lot of support and help along the way, and we definitely wouldn't be here with a title without it!!

In addition, the 2026 Fall Grand is also upon us, and I know lots of time and work has gone into preparing for it. Big shout out to the Grand Committee for all your time and dedication – your hard work is commendable and does not go unnoticed! I'm looking forward to attending and love going to each site to visit and watch these amazing retrievers!

As always, stay safe, enjoy these dogs we love so much and see you down the road!

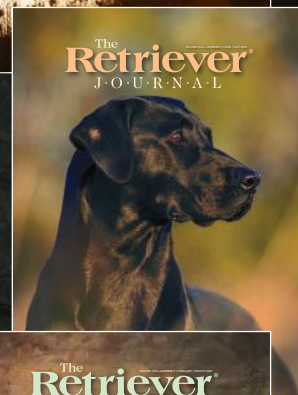

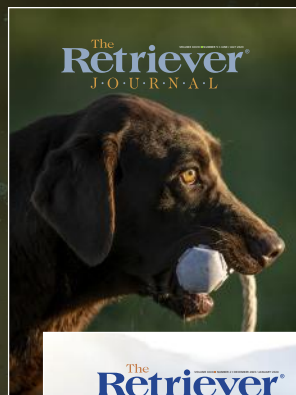

Blessings! 🐾

The United Kennel Club (UKC) accepts all advertisements placed in *Hunting Retriever* in good faith. Purchasers should independently conduct any relevant research needed prior to acquiring animals, products and/or services from advertisers. UKC is not responsible or liable in any way for potential issues arising out of sales by advertisers, including but not limited to: dealings between advertisers and purchasers, actions and promises made by advertisers, or quality of products or animals sold by advertisers.

MEMBERSHIP INFORMATION

The Hunting Retriever Club is composed of individuals and clubs interested in the improvement of the retrieving breeds, in the training and testing of hunting retrievers, in the awarding of championships to those dogs that pass the testing program, and in the fellowship, cooperation and learning that can take place when people and dogs, rather than competing with each other, are working together to reach mutual goals of excellence.

The hunts have been designed to closely duplicate actual hunting conditions and situations. The training aspect of the program and the four levels of competition allow dogs and handlers at all levels of experience to learn, improve and work toward championships.

Your membership includes a one year subscription (6 digital + 2 printed issues) to *Hunting Retriever*, a membership card and a copy of the UKC/HRC Rules and Guidelines for Hunting Retriever Tests. Domestic rates (U.S. and possessions) are \$25 a year, \$30 a year for a family; (\$1750 per year is designated for the magazine subscription.) Dues cover a 12-month period. Dues are to be sent to: Hunting Retriever Club, Inc., 100 E Kilgore Rd, Kalamazoo MI 49002-5584. Phone: (269) 343-9020.

TWO LADIES: THE BEGINNING OF THE LONG LINE

By Lynne Frady

Hello! For those of you that are new to HHR, HR magazine, and possibly new to the hunting retriever world, let me introduce myself. I have been training retrievers for over 40 years. I train for hunting and hunt tests. I own Super Dog Obedience and Gun Dog Training. I also train all breeds of dogs for obedience, be it for show or just to become a great member of your family.

I have had the pleasure of writing for HR magazine longer than I can remember and The Long Line will concentrate on how to's and tips and tricks for your young dog. We all have to start at the beginning to get to the end, in our case a Finished Dog or a great hunting dog. Let me tell you how it all began for me.

More than 40 years have passed, but there are some memories that time doesn't seem to fade. For me, two of those memories have black fur, four paws, and wet little noses. Their names are Lady and Star. They were my first two female Labradors, all that have followed have been females as well. They came into my life at very different times, both left a lasting mark on me.

Lady came first. I was nine years old when my dad brought her home. He had traded a pair of shoes to a man for her. Dad owned a shoe store and sold shoes at the local flea market on the weekends for extra money. Lady was six months old, and I had absolutely no idea then that this dog would become such an important part of my life.

At nine, you don't think about memories in quite the same way, you simply live them, and Lady was there by my side to create some that will last a lifetime. She was part of growing up, part of everyday life and part of days that were magical that I didn't realize until many years later. I learned about dogs

through her. I learned about their routines and personalities, and that they have quirks and do very funny things. Most of all I learned of a deep relationship and unbreakable bond that develops between a little girl and her dog.

She was there through my childhood and my teenage years. When I think back now, I realize how much of that time is tied up with memories of her. I had to have her put down when she was nine years old, I was eighteen. My whole world was shattered, I did not know that my heart could explode into so many pieces, she was part of me.

My dad came to me one afternoon and said, "I am so very sorry you lost your dog, but you can't cry forever, you are breaking my heart. Please go find another dog, I don't care where it comes from or how much it cost, I will buy you another dog."

After much research, which consisted of searching the IWANNA paper, I found a lady not too far from where I live that had a litter of all black Labradors, and they were registered. I got in the truck early one Saturday morning and made the journey an hour away from home and met the lady who had the puppies. I cried the entire way. I pulled up her long driveway and was met by the dam of the litter with a big bark and a very happy tail. As I got out of the truck, Connie met me in the driveway. She said she thought I might like to meet the mother of the litter first. She was a very sweet dog and I was eager and apprehensive about seeing the litter. Connie showed me the way to the back of her house through a gate where the puppies were all playing, there were eight of them. There was a lawn chair under a tree, and I ask if I could sit, she said, "Of course." I just sat and watched, choking back tears.

One of the puppies looked over at me and made the trek over and sat at my feet and looked up. I rubbed its head and talked to it for a few seconds, and it trotted back to the litter. As I was talking to Connie I felt a nudge on my leg, I looked down and it was that same puppy. This time I picked it up and sat it on my lap, it licked my face and snuggled under my chin, then laid down on my lap and went to sleep. Connie laughed and said, "I think your pup has found you." I told her I wanted a female and had not checked to see its gender. Connie said, "It's a girl. They all have a different color collar so I know who is who." Needless to say, that little pup rode home on the seat beside me. I named her Midnight Star; she was my true North.

With this new pup I was going to do everything right. I wanted her to hunt, to show in obedience, and to be my buddy. I knew I had to get her started on the right paw, so we dug in and got started—this is where The Long Line began.

Star was adventurous and eager to learn. I was the same and had absolutely no clue how to train a retriever. I had the best teacher ever in Lady, but I knew I would need some help from the human kind that had a lot of knowledge. I went to the bookstore and found a copy of "Water Dog" by Richard A. Wolters. The cover was glorious and it had a photo of Mr. Wolter's casting a dog into the water—the magnificent black dog looked like it was flying through water! The book was published in 1964, and I didn't know it then, but it was and still is the holy grail of all dog training books. I must have read it a million times and Richard and Tar taught me so much. I made a long line from a piece of rope in the barn, and we were on our way.

I trained in a big field at the top of my parent's property where I grew up. I had no idea that the long line would teach me as much as it taught Star. The long line gave her the freedom to run while it kept us connected and she loved running "free." There were so many things to explore: birds, grass, mud, and anything else she could find. In the beginning, we would just walk around on little adventures while she dragged the long line behind her. When she would get about 40 yards from me, I would step on the long line and stop her. I would give her a "come" command and run backwards with a treat in my outstretched hand. She would come barreling to me to get the treat. It didn't take long before I didn't have to step on the long line, I could stop and call her and no matter what she had found to play with or explore she would come to me like her tail was on fire and it was forty miles to water.

I didn't have much money for training equipment so I filled an old hunting sock with stuffing and sewed the end shut and tied a piece of small rope around the end to make a training dummy that would be easy for her to pick up. We headed to the field, long line attached, I whirled it around playing with her and threw it about five feet away, she took off after it and snatched it up. WOW, just like in the book. She gave me a look and took off in the opposite direction. I didn't panic, like Mr. Wolters had said, I just stepped on the long line like I did when I was teaching her to come, she stopped. I had no clue what to do, my mind went completely blank. My body took over and I bent over at the waist, held out my hand and started backing

up, I forgot all my words. She looked at me and started walking towards me. I moved faster and she ran to me! I didn't take the little sock bumper from her I just patted her gently and picked her up and loved her some more. When I sat her down, I got the sock from her and she just bounced around as if to say, "Let's do it again." I threw it five more times and with each time she came back quicker and then we stopped as the book directed, "Always leave them wanting more."

Looking back, those training sessions were not about teaching Star how to retrieve, it was about us learning to work together.

That was many years ago, I don't remember every training session, but I know that Star was the most patient teacher I have ever had. She, along with my dogs since, have taught me more than any book or seminar. I made so many mistakes, and Star was very good at forgiving me and giving me the opportunity to try again until I got it right. When we worked as a team we got it right and I had to learn that just as she did. Trust is a two-way street!

We trained with the aid of Richard Wolters by our side thanks to his amazing book, his kind gestures, and his love for retrievers. Star was an outstanding grouse dog; I didn't know at the time that all Labradors did not point but she did. Years later I learned what a very special girl I had. We were inseparable and we had some great times and journeys together. She was as amazing and special to me as Tar was to Mr. Wolters. I'll share more of Star's adventures in the future.

Lady was my childhood, Star was the beginning of adulthood. One taught me what it was like to grow up alongside a dog, the other helped me through the loss of the first and how to train a retriever. Neither could replace the other, they didn't need to. Each of them and all the dogs I have had since own their own piece of my soul.

At nine, I didn't know how quickly childhood would pass. At eighteen I didn't know how important the memories of Lady would remain. When Star arrived, I certainly didn't know that one day I'd be remembering that country field and those long line training sessions. That perhaps, is what dogs give us without us realizing it—they become part of our history.

Both Lady and Star left memories that have lasted for all these years. The memory of warm fur, wet noses, and puppy kisses. A first retrieve, the smell of a warm spring day in that country field, and Star running after that little sock and bringing it back to me at a full steam.

For a moment in time, it was just the two of us working together as a team connected simply by a long line. It may look like a simple piece of rope from the barn but in reality, it was an invisible thread directly connected between two hearts.

Stop by the column in future editions. I hope I can guide you with the wisdom that has been given to me by both human and my four-legged retriever teachers. If you are new to the retriever life, you're in for a grand adventure. If you are a veteran trainer, hopefully you will learn a little, laugh a lot, and share your knowledge with a new HRC member. No matter where you are in your retriever journey, just don't forget your long line.

Until next time, keep your nose in the wind! 🐾

HUNTING RETRIEVER CLUB FOUNDATION

Scholarship Recipients

Thank you to the sponsors, donors, clubs, and members who made it possible for the Hunting Retriever Club Foundation, Inc. (HRC Foundation) to award 35 scholarships to deserving students this year!

Scholarship Sponsors: Nestle Purina, Garmin, Priefert, Perfect mARC, and Gunners Up

Each year, the HRC Foundation awards educational scholarships to eligible applicants. It is only due to the continued support of our corporate sponsors and the generosity of HRC clubs and club members that we are able to grant these scholarships. Please encourage your local club to consider making an annual contribution to this worthwhile endeavor.

The next scholarship application period will run from January 1 through April 30, 2027. Students interested in applying for next year's scholarship must meet the following criteria:

- Must be a citizen of the United States or Canada.
- Must be an HRC member or the legal dependent of an HRC member on a family membership, and that membership must have been in place for a minimum of 12 months (1 year) at the time of application. Other than a spouse, a dependent must be 23 years of age or less.
- Must be a high school senior or graduate with a minimum 3.0 grade point average (4.0 scale or equivalent) during the last term completed. College students must meet the same GPA requirements.

This year, the Board of Directors of HRC Foundation was proud to announce the award of scholarships to 35 students. The following individuals were recipients of a 2026 scholarship.

Abby Quamme

My name is Abby Quamme, and I am an incoming master's student at University College London studying social epidemiology. I recently graduated from the University of Minnesota - Twin Cities with a degree in public health. In my free time, I enjoy spending time with my

family, friends, and dogs, reading, and traveling. I currently work as a summer camp instructor at a city park!

Allison Anderson

Allison Anderson is a senior at Louisiana State University from Ethel, Louisiana, pursuing degrees in Accounting and Marketing. As a proud member of Phi Mu, she enjoys building friendships, serving her chapter, and making the most of her college experience. Growing

up on a working cattle farm, Allison developed a strong work ethic and a passion for agriculture and animals. She spends much of her time training retrievers, caring for livestock, and competing with her dogs, combining her love for the outdoors with dedication and discipline. Whether she's on campus, at the farm, or with family and friends, Allison is known for her kindness, authenticity, and determination. She takes pride in representing her hometown while embracing every opportunity to learn, lead, and grow.

Alyssa Leger

I was born in Louisiana; my family and I moved to Texas when I was 5. My faith in God is the foundation of my life, and I am deeply grateful for my family, my dog Tuck, and the many blessings I have been given. I have a passion for the outdoors and enjoy spending my time playing softball, hunting, and fishing. These experiences have taught me patience, determination, and an appreciation for God's creation. I recently graduated from New Caney High School and am excited to begin the next chapter of my life at Angelina College in Lufkin, Texas. I have earned a scholarship to play softball while pursuing a degree in Nursing. Through hard work, dedication, and faith, I hope to make a positive impact both on the field and in the healthcare profession. I look forward to continuing my education, growing as an athlete, and serving others while honoring God in everything I do.

Annie Luker

Hello, my name is Annie Luker, and I will be attending Texas Tech University in the fall. I will be majoring in Criminology and plan to minor in forensics. One major accomplishment that I have achieved is that I graduated high school with honors. I worked hard all of my high school years to achieve this. I am very proud of this accomplishment. When I am not studying or at school, I love to hang out with friends, dance, and go shopping. A fun fact about me is I have a twin brother.

Ashley Roland

My name is Ashley Roland, I am from Milan, TN and I am a senior at Middle Tennessee State University. I am a student in the Cason-Kennedy School of Nursing and a member of Alpha Delta Pi Sorority. Following college, I plan to

continue my education in hopes of becoming a Nurse Practitioner. I have been a part of Deer River HRC for the last 8 years. I have done many things such as load wingers, prepare meals, and spend quality time with the dogs to help this club. I am thankful for this club because it has given me the opportunity to get closer to my two labs, Nelli and Eve, who both participate in hunt tests. I'm very thankful to receive this scholarship and continue my education.

Ava Miller

My name is Ava Miller, and I am a fourth-year Marketing Student at the University of Georgia with an emphasis in Digital Marketing and Certificate in Entrepreneurship. I plan to continue my education by completing a Master's in Emerging Media, with a goal of building

a career in Brand and Product Marketing. In summer of 2026, I was accepted into a study abroad program at the University of Oxford, where I had the opportunity to expand my academic perspective while experiencing a new culture and learning environment. Beyond academics, I am a member of Sigma Kappa and also work as a sales representative for Fresh Prints, a merchandise company. Outside of school, I enjoy traveling, training my dog Ryder, needlepointing, and baking sourdough.

Ben Sherman

My family and I moved to Oklahoma 2 years ago and are proud members of Green Country Retriever Club. I have a black lab of my own at home that I love spending time with and seeing run. I played baseball at Miami Highschool for my Junior and Senior year and

loved being at the school. In the fall I am attending Northeastern Oklahoma A&M College and am excited to start working towards a college degree. I can't wait to begin this new chapter and take advantage of the opportunities at NEO.

Callie Browning

My name is Callie Browning, and I am a Junior at the University of Tennessee, Knoxville. I am majoring in Kinesiology with plans to attend Physical Therapy school. At UT, I am a member of the Kinesiology Student Association and the Future Physical Therapists Association.

In my free time, I enjoy cooking for my friends and family, lifting weights at the gym, and learning how to sew.

Caroline Dudish

This is me pictured with our youngest black lab Ghost at one year old. I am in my last year of dental school at the Dental College of Georgia in Augusta, Ga. My sweet husband got me into hunting retriever competitions several years ago. We started out with just one

yellow lab, but loved it so much that we upgraded to 4 labs over the years who have all competed in various hunt tests.

Caroline Pankey

My name is Caroline Pankey and I am blessed to be one of the 2026 HRC scholarship recipients. My dad, brother, and I are members of the North Louisiana HRC. The HRC has played a major role in my life from a young age. As a little girl, I would help my father and brother throw

bumpers for their Labs. As I grew older, I began to help train and eventually run my own Lab, Ace, in hunt tests. Training dogs has taught me consistency and hard work and reinforced my love of animals. I am currently attending Louisiana State University and majoring in animal science to pursue my dream of becoming a veterinarian. One of my favorite things about hunt tests is seeing all the different breeds that are participating. After I obtain my DVM, I plan to work in a rural mixed practice clinic. When a hunt test is in the area, I would like to be available to handlers and their dogs if medical assistance is needed. A special thank you to Brad Crook, Clint Farrar, Andy White, and other club members for all their advice and support.

Drew Sherman

My family and I have lived in Oklahoma for the past two years and are proud members of Green Country Retriever Club. I earned my Associate of Fine Arts degree from Northeastern Oklahoma A&M College and am currently pursuing my bachelor's degree at Missouri Southern State

University. I serve as an intern with the Baptist Collegiate Ministry at NEO and work at The Retriever Academy while attending school. I am grateful to be able to pursue my passions for music, ministry,

and working with dogs. I'm looking forward to all the blessings, new opportunities, and experiences the coming year will

Elena Wolf

My name is Elena Wolf and I am from Lincoln, Nebraska. I attended Southeast High School and the Science Focus Program. I spent most of my school day at the Lincoln Children's Zoo, where the Science Focus Program is located.

During high school, I ran cross country, played soccer, was president of the SFP student council, and co-director of IncluCity. I was also a soccer referee and a gymnastics coach. In my free time I like camping, hiking, hammocking, traveling and just being in nature. I will be attending the University of Wisconsin-Stevens Point in the fall to major in Wildlife Ecology and Management and participate in the Honors Program.

Evelyn Quamme

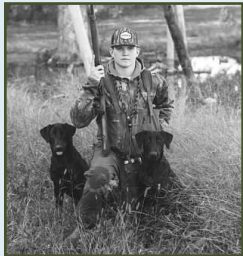

My name is Evie Quamme and I am a sophomore at UW-Madison studying Elementary Education and Education Policy. I am super excited to be a teacher someday! I love to spend time with my friends and family, as well as do things outdoors!

Hayden Schulz

Howdy! My name is Hayden Schulz, and I am currently a senior at Texas A&M University studying Agricultural Leadership and Development. After graduation, I hope to pursue a career as a Texas Game Warden because I enjoy working outdoors and conserving Texas' natural resources and wildlife. One of my biggest accomplishments from the last school year was earning a spot on both the Fall and Spring Dean's List. Outside of school, I enjoy hunting, fishing, and golfing. A fun fact about me is that I am currently working toward becoming a Certified Arborist.

Isabella Nunez

No Provided

Jack Cummings

Jack Cummings is the 19-year-old son of Chad and Allyson Cummings of Pontotoc, MS. He is a 2025 honor graduate of North Pontotoc HS where he was elected Mr. North Pontotoc and a 3-time Division 4A Baseball Defensive Player of the Year. He is a rising sophomore at Itawamba Community

College in Fulton, MS, where he is a member of the Indians Baseball Team, Phi Theta Kappa National Honor Society, and a Dean's List Scholar. Jack grew up working HRC hunt tests at Maple Ridge Retrievers in Belden, MS. He enjoys playing baseball and anything involving the outdoors, especially duck hunting and turkey hunting.

Jackson Miller

My name is Jackson Miller. I will be going into my Junior year at NMU and continuing my biology degree. Throughout college, I have spent my time (when I am not in class) outside either hunting, fishing, or doing any other outdoor activity in one of the best places to be outdoors. Currently, I am a kayak tour guide in Pictured Rocks National Park, which has allowed me to work outside in a beautiful place every day. I am very excited to continue growing as a person in and out of school!

Jacob Passons

My name is Jacob Passons, and I am from Pearl, Mississippi. I have been involved with West Mississippi HRC for many years, and through this organization I have developed a deep passion for the outdoors and conservation. That passion has inspired me to pursue a degree in Forestry with a concentration in Wildlife Management at Mississippi State University. After graduation, I hope to build a fulfilling career in the forestry and wildlife industry, where I can help conserve and manage natural resources for future generations. I am incredibly grateful for the support of the HRC scholarship program and the opportunities it provides students like me to pursue their education and career goals. Hail State!

Jake Miller

My name is Jake Miller, and I am currently a sophomore pursuing a degree in Marketing at Kennesaw State University. When I'm not in the classroom, you can find me in the field hunting with my dad, bass fishing, or staying involved with my fraternity. I'm also passionate about health and fitness and enjoy spending time weightlifting. I am extremely grateful to the Hunting Retriever Club Foundation for supporting my education. This scholarship helps me continue building the skills and knowledge needed for a successful career in marketing while staying active in the outdoor community.

John Ross Peedin

My name is John Ross Peedin and I was born in Clayton NC where I have grown up hunting and fishing. I am currently a rising senior at NC State university where I am majoring in Fisheries and Wildlife biology. I enjoy hunting, fishing, and going to sporting events. I also love spending time playing with my three labs and training them to run trials as well as to take hunting. I am honored to receive this scholarship and greatly appreciate the support from the HRC Foundation.

Kamdyn Mathews

Hi y'all! My name is Kamdyn Mathews, I'm the daughter of Ori and Teri Mathews and I've lived in Caddo Mills, Texas my whole life! Since before I can even remember my weekends were spent at HRC hunt tests or club training days, and I've met some of the closest

people in my life through HRC. I am going to be attending Baylor University in the fall as a Business Management major with the goal of becoming a Corporate Attorney.

Katie Albrecht

My family and I have been HRC members since 2013, and over the years I have enjoyed training and running several retrievers in hunt tests. The memories and friendships we have made through HRC have meant so much to our family.

Professionally, I spent 16 years working in the dental field before deciding to pursue a lifelong dream of becoming a nurse. With the encouragement and support of my husband and daughter, I enrolled in the nursing program at Carthage College to begin this exciting new chapter. Caring for others has always been my passion, and I believe it's never too late to pursue dreams or continue learning. I am incredibly grateful to the HRC Foundation for investing in my education and future. This scholarship is a meaningful reminder of the support and generosity within the HRC community. I hope to one day pay this kindness forward and support future HRC members, just as you have supported me.

Landon Emerson

Hello my name is Landon Emerson, I currently attend the University of Arkansas at Fayetteville, and I'm studying Advertising and Psychology. I would like to take my studies and become an advertising manager for a major sports team one day. Some of my interests outside school

include Rugby, Mountain Biking, and Photography/Videography.

Landon Montgomery

My name is Landon Montgomery. I am a graduate of McNairy Central High School where I played baseball and football all four years. I graduated number nine in my class with a 3.98gpa. I am pursuing a mechanical engineering degree from the University of Tennessee at Knoxville. I enjoy hunting, fishing, and outdoor adventures. My family raises Golden retrievers, so my love for Goldens and duck hunting brought me to the hunt test world. I not only like running dogs, but also like watching a dog work.

Lola Wiedemann

My name's Lola Wiedemann and I am a junior studying early childhood education at the University of Missouri Columbia. I'm from St. Louis and have spent a lot of time with my dad at his local HRC duck club! I'm very grateful for

this scholarship and it allowing me to further my education!

Madelyn Webb

My name is Madelyn Webb and I plan to attend East Carolina University to study marketing. I grew up in Holly Springs, North Carolina, and have always enjoyed hunting and fishing with my dad and my dog Pearl. I am very excited to start this next chapter and can't wait to see what God has planned for me. Roll pirates!

Makaylee Miller

My name is Makaylee Miller and I am an exercise science student at UT Arlington. I am currently applying for physical therapy school, and I am excited for the adventure that awaits! I like to spend my free time hiking, fishing, training my dogs, and going to concerts.

Marlee Nugier

Marlee Nugier is a 2026 graduate of North Vermilion High School and will attend Louisiana State University this fall. She plans to major in Kinesiology with a concentration in Human Movement while completing the prerequisite coursework for Occupational Therapy.

Marlee's goal is to become an occupational therapist, where she hopes to help others improve their quality of life through compassionate care, rehabilitation, and movement. She is honored to receive the HRC Scholarship and is grateful for the support as she begins this exciting new chapter.

Mercades Norrod

Growing up, duck hunting and training dogs were a big part of my life and helped shape who I am today. Those experiences taught me patience, responsibility, and the value of hard work. They showed me that dedication and effort can turn challenges into success. Along with my love for the outdoors, music has become a major part of my life. Through music, I have found a passion for

connecting with others, and I hope to use my future career to inspire and help kids discover their own passions while building confidence and character.

Mia Lowrance

My name is Mia Lowrance, and I am a sophomore studying Journalism at LSU. I am from Geismar, Louisiana, and this is my second year receiving the HRC scholarship. The scholarship has helped me achieve my goal of becoming a news reporter for the student media center and attend a study abroad program over the summer.

Savannah Wagon

Hi, I'm Savannah Wagon and I'm currently a sophomore at Valdosta State University. I am currently studying biology and pre-vet medicine in hopes to become a veterinarian one day. I currently work at my local vet office where I gain experience and further my passion for animals. One thing that interests me outside of school/work is cheerleading for my college. Go Blazers!

Shelby Thompson

My name is Shelby Thompson; I am 22 years old and just recently graduated from the University of Kentucky with an undergraduate degree in Health Sciences with plans to attend Physician Assistant school in January. I am from Edmonton, KY, a very small town in south central Kentucky. From a young age, my stepdad trained labs and I helped him in the mornings during my summer breaks. Running dogs has become a norm in our family and the dogs are family to us. Currently our eldest dog is 12 and we hope to have at least another year with her. The dogs have brought so much companionship to our family and I can't imagine how much loss we will feel when she's gone. She's always been my favorite because of how much personality she has. HRC has facilitated the dogs coming into our lives and I couldn't be more thankful.

Sophie Browning

My name is Sophie Browning. I graduated Summa Cum Laude from the University of Tennessee at Martin in 2026 with a Bachelor of Science in Business Administration and a major in finance. While at Martin, I served as the

Vice President of Operations for Alpha Delta Pi and a member of both the College of Business and Global Affairs Student Advisory Council and the Financial Management Association. I also worked as a teaching and research assistant for a professor of business law. This fall, I will be attending the University of Tennessee's Winston College of Law! I'm so thankful for HRC and the support they continue to show me as I further my education. Go Vols!

Sydney Barnett

Hi my name is Sydney! I just graduated from the University of South Florida with a Bachelors of Arts in Psychology with a minor in Criminology. I am continuing my education this fall at the University of St. Augustine for Health Sciences, where I will begin my journey to becoming a Doctor of Pediatric Occupational Therapy 🐾

PRESEASON RETRIEVER TUNE-UP

How To Prepare Your Hunting Partner For Opening Day | By Dr. Jay Brekke, DVM

For most hunters, the weeks leading up to opening day are filled with preparation. Shotguns are cleaned. Waders are inspected for leaks. Decoys are repainted. Boats are serviced. Ammunition is stocked, and trail cameras are checked. But the most important part of opening day preparation is your retriever.

Every fall, veterinarians see dogs that struggle during the first few hunts of the season. Many of these injuries and illnesses aren't caused by bad luck; they're caused by lack of preparation. A dog that spent the summer lounging around the house isn't ready for several hours of swimming through cattails, climbing muddy banks, breaking ice, or chasing crippled birds across rough terrain.

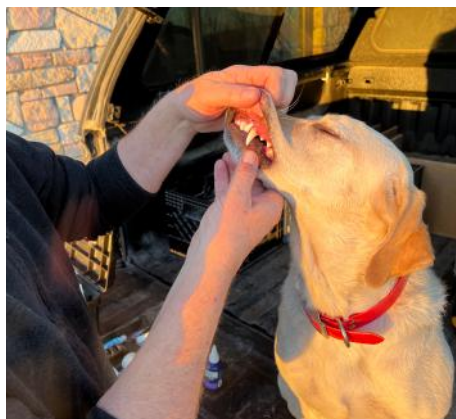

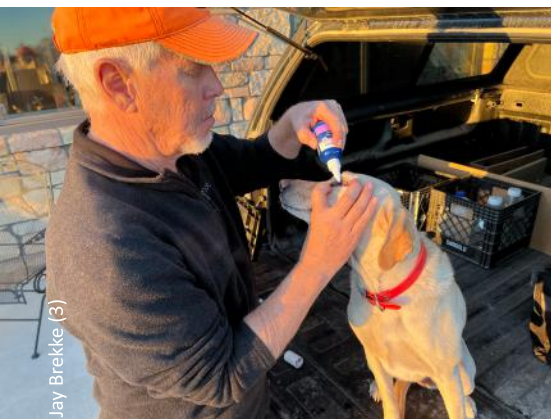

Our hunting partners need time to get ready, too. A little preparation now can prevent injuries, improve performance, and help your retriever enjoy many healthy hunting seasons.

Start With a Physical Exam

The first stop before hunting season should be your veterinarian. Even healthy dogs benefit from an annual examination, but preseason is especially important for working retrievers. Your veterinarian can identify subtle issues that owners may overlook, including early arthritis, dental disease, ear infections, heart murmurs, skin infections, weight gain, or orthopedic problems.

For senior retrievers, routine bloodwork can detect kidney disease, liver disease, diabetes, thyroid disorders, or other conditions before they become serious enough to affect performance in the field.

Many hunters spend thousands of dollars on trucks, boats, decoys, and travel. Investing in a wellness examination for your retriever may be one of the smartest preseason expenses you'll make.

Get Your Dog Back Into Hunting Shape

One of the biggest mistakes owners make is expecting their retriever to pick up right where it left off after months of inactivity. You wouldn't run a marathon after spending the summer on the couch. Neither should your dog. Conditioning should begin several weeks before opening day.

Gradually increase:

- Walking
- Hiking
- Swimming
- Marking drills
- Longer retrieves

Swimming is excellent conditioning because it develops cardiovascular endurance while minimizing stress on joints. Avoid the temptation to “make up for lost time” with marathon training sessions. Sudden increases in exercise are one of the leading causes of muscle strains, heat exhaustion, and soft tissue injuries.

Check Those Feet

A retriever's feet are its tires. Every retrieve depends on healthy foot pads. Before hunting season, inspect each foot carefully.

Look for:

- Torn nails
- Overgrown nails
- Cracked pads
- Cuts
- Foreign bodies
- Interdigital cysts
- Redness
- Swelling

Trim nails before the season begins. Long nails reduce traction and increase the risk of injury. If your dog hasn't spent much time on rough terrain recently, gradually expose their feet to

gravel roads, dirt trails, and natural surfaces to help condition their pads before opening day. During hunting season, check your dog's feet after every hunt.

Vaccinations Matter

Many hunting dogs travel across multiple states, hunt with unfamiliar dogs, and encounter wildlife almost daily. That makes preventive medicine especially important. Discuss your dog's vaccination needs with your veterinarian.

For most hunting retrievers, core vaccines include:

- Rabies
- Distemper/Parvovirus combination
- Leptospirosis

Depending on travel and training situations, your veterinarian may also recommend Bordetella or canine influenza vaccines.

Leptospirosis deserves special attention because hunting dogs frequently encounter standing water contaminated by wildlife urine. Although uncommon, leptospirosis can cause severe kidney and liver disease and can also be transmitted to people.

Don't Forget Parasite Prevention

Ticks don't care whether you're hunting ducks in Arkansas or pheasants in South Dakota.

Hunting dogs are exposed to:

- Ticks
- Fleas
- Mosquitoes
- Intestinal parasites

A reliable year-round heartworm preventive is essential. Tick prevention is equally important, as ticks can transmit Lyme disease, ehrlichiosis, anaplasmosis, Rocky Mountain spotted fever, and several other illnesses.

After every hunt, perform a full body tick check, especially around the ears, neck, armpits, groin, and between the toes.

Be Prepared for Venomous Snakes

Depending on where you train and hunt, venomous snakes may be another serious risk to your retriever. Snake avoidance training is a good idea, especially for dogs that hunt in rattlesnake country. These programs teach a dog to recognize and avoid the sight, sound, and scent of a snake. No training is perfect, but it may help prevent a dangerous encounter in the field.

Before traveling, research veterinary clinics near the area where you will be hunting. Save their phone numbers and addresses in your phone and call ahead to find out which clinics treat snakebites and carry antivenom. Antivenom may not be stocked everywhere, especially in remote areas.

If your dog is bitten, keep the dog as calm and quiet as possible and seek veterinary care immediately. Do not cut the bite, apply ice, nor use a tourniquet.

Healthy Ears Mean Happy Retrievers

Retrievers spend countless hours in the water. Unfortunately, moisture creates the perfect environment for bacteria and yeast.

Check your dog's ears regularly for:

- Redness
- Odor
- Excessive wax
- Pain
- Head shaking

Ask your veterinarian to recommend an appropriate ear cleaner. Many hunting dogs benefit from routine ear cleaning after swimming, especially during heavy training periods. Treating a mild ear infection early is much easier than treating a severe infection in the middle of duck season.

Evaluate Body Condition

A few extra pounds may not seem like much around the house. In the marsh, those extra pounds matter. Overweight dogs fatigue more quickly, generate more body heat, and place additional stress on joints.

Conversely, extremely thin dogs may lack adequate energy reserves for prolonged hunts. Most retrievers should have a visible waist when viewed from above and ribs that can be felt easily without excessive fat covering. If your dog needs to lose or gain weight, begin making gradual dietary adjustments several weeks before the season rather than waiting until opening day.

Fuel the Athlete

Working retrievers burn tremendous amounts of energy. Avoid making sudden diet changes just before hunting season.

Instead:

- Feed a high-quality performance diet, if appropriate.
- Increase calories gradually as workload increases.
- Provide plenty of fresh water before, during, and after hunts.
- Avoid feeding a large meal immediately before strenuous activity.

Hydration is just as important as nutrition. Carry fresh drinking water with you rather than allowing your dog to drink from stagnant ponds whenever possible.

Review Basic Hunting Skills

Preseason isn't just about physical conditioning. It's also about sharpening the fundamentals.

Spend time reviewing:

- Recall
- Whistle sits
- Steadiness
- Honoring
- Boat manners
- Blind retrieves
- Handling drills

Many injuries occur when excitement overrides obedience. A retriever that responds reliably to commands is safer, more efficient, and more enjoyable to hunt with.

Build a Hunting Dog First Aid Kit

Every hunting truck should carry a basic canine first aid kit.

At minimum, consider packing:

- Vet wrap
- Sterile gauze
- Nonstick bandages
- Saline solution
- Chlorhexidine solution
- Blunt scissors
- Tweezers
- Hemostats
- Tick remover
- Digital thermometer
- Booties
- Emergency contact numbers for veterinarian near your hunting locations.

Hopefully you'll never need these supplies, but if you do, you'll be glad they're available.

Don't Forget Your Senior Retriever

Some of the finest hunting dogs I've ever met had gray muzzles. Age alone shouldn't retire a retriever. However, older dogs deserve realistic expectations.

Consider:

- Shorter hunts.
- More frequent rest breaks.
- Better hydration.
- Joint support.
- Pain management when appropriate.

Modern veterinary medicine offers excellent options for managing arthritis and maintaining quality of life. Talk with your veterinarian about whether your senior retriever could benefit from joint supplements, anti-inflammatory medications, or newer therapies designed to improve mobility.

DR. JAY'S PRESEASON RETRIEVER CHECKLIST

Before opening day, make sure you've completed the following:

- ☐ Annual veterinary examination
- ☐ Vaccinations are current
- ☐ Heartworm prevention up to date
- ☐ Tick and flea prevention started
- ☐ Body weight is ideal
- ☐ Nails trimmed
- ☐ Foot pads healthy
- ☐ Ears clean and infection-free
- ☐ Conditioning program completed
- ☐ Recall and whistle commands refreshed
- ☐ Hunting first aid kit stocked
- ☐ Fresh drinking water packed
- ☐ Emergency veterinary clinic locations saved in your phone
- ☐ Snake avoidance training considered for our hunting area
- ☐ Nearby clinics that carry antivenom identified

Jay Brekke

Final Thoughts

Every hunter knows the importance of preparation. We service boats. We organize decoys. We pattern shotguns. We replace worn waders. Yet the most valuable piece of equipment we own often receives the least attention.

Our retrievers ask for very little in return for everything they give us. They don't care about the weather, the long drives, or the cold water. When we open the truck door, they're simply excited for another chance to do what they were bred to do. The least we can do is make sure they're physically prepared for the job.

This preseason, spend a little extra time evaluating your retriever's health. Schedule a veterinary examination, build conditioning gradually, inspect those feet, stay current on preventive care, and review the basics before opening morning.

A healthy retriever isn't just a better hunting partner. They're more likely to enjoy many seasons beside you in the blind.

Opening day should test your retriever's instincts, not their preparation. A little work before the season begins can pay dividends all fall long, helping ensure that every retrieve ends the way it should: with a healthy dog proudly delivering another bird to hand. 🦋

HUNTING SEASONS ARE BACK ... FINALLY!

By Rich Carpenter | rich@theriverbottom.com

Hunting! Yes, indeed, hunting seasons are starting again! As I sit here writing this, it is unclear how long I'll be at the keyboard before the Nap Monster grabs me and pulls my eyelids down with sharp snap like a .410 shotgun report. 3:00 AM comes awfully early to head off to run the last HRC hunt test in our region. Turns out to be our club's 40th anniversary. I've got a pretty good head start on geezerhood, but I don't find getting to sleep any easier the night before a hunt or hunt test, though I can fall asleep in a heartbeat in front of computer or TV.

But I'd guess I'm like most of the rest of you in that I just couldn't miss opening morning of the first of a number of hunting seasons of this fall and winter, whether we expect to do much damage or not. Not only that, but we'll probably be there for opening morning of any other seasons we participate in. Somehow it seems it's not so much planned as fated.

When training for the last HRC hunt test of the season it gets a little hard to focus on training while seeing doves starting to gather, along with a few teal flying nearby.

I enjoy retriever training and running HRC hunt tests, with all the associated camaraderie, as much as about anybody. Yet somehow it all comes back to hunting and revolves around hunting. But in some ways the HRC life and the hunting life are so intertwined that at times it's just hard to sort it all out. Training for and running HRC hunt tests makes it possible to

have a better hunting dog during hunting seasons. And some of those super special dog-related hunting memories not only live with us for all time, but they push us to train more and run more tests for the dog to gain more experiences so the hunting retriever then can do all we expect and often something more. And, some of those special hunting moments are central to some of our social interactions as we enjoy the HRC program, whether it's standing around in the gallery at the hunt test, at the social afterward, sitting on a tailgate enjoying a cold one and telling hunting lies after a training session, or hunting with a buddy we met at a HRC hunt test.

Hunting. It's just special in so many ways. Once I was behind the wheel for an hour and a half drive on a stretch of road I'd been traveling about three times a week all summer. But somehow that drive out to open the season for doves seemed to take a whole lot longer. A hunting dog's perception sometimes amazes me and their seeming ability to sense that the hunting magic time is nearing. Years ago, out of the blue in late September, my Lab went into the back bedroom, went over to the open-front gun cabinet and, with his muzzle, whacks the lanyard of duck and goose calls against the side and comes back and wags his tail. Never saw him do that before, but he sure gave me a knowing look.

Ninety percent of the time my current Lab is with me on the drive east and sits in the back seat of the truck looking out

the window and mixes in an occasional snooze. But if we are heading out hunting, as we slow for any turns or intersections, she'll stand up, wag her tail, and start whining quietly in anticipation. She'd be with me as I loaded the gear the night before, and to say she was extra animated that evening would be an understatement. I suppose she was as eager to get started as I was. But, at the same time the trip seemed to go slowly, under moonlit skies with some odd cloud patterns. As we got a couple miles from our destination, there began to be just a little light in the eastern sky, very thin bands of ground fog developed. They were just patches and probably none over about chest high, and the same was present in the field we were to hunt, as we grabbed decoys, bucket, shotgun, vest, etc. to do what we'd come for. Somehow the moonlight making these patches of fog white just hit me that these are the things we'd miss if we didn't get up at Zero-Dark-Thirty to be there for the opening moment.

A walk back to the bucket, and what we'd been waiting for since the last goose season closed, was finally here. Well, there didn't seem to be any doves eager to participate, but she snapped to immediate attention as a wood duck sailed in from the northwest and lit in the pond behind us. She looked at me like, "Hey, even you could have hit him if you'd have shot!" Trying not to let her get the upper hand, I told her to "Heel," since she'd scooted about a foot when the duck was at the point she was sure I'd rise and fire. Soon after I got the same look as I let a blue jay skim over our bucket at our scrubby cottonwood hide unmolested. It is so clear how equally important and exciting it is for our hunting retrievers to be out there as it is for us.

There are other times when all our high-tech smart phones and accompanying interruptions can get me into a classic old man's "Get off my lawn!" attitude. But there are times when the interruptions can be downright pleasant or be important and really reach right into your heart. Once, on my initial report of a slow dove hunt start, my son texted me it would be OK to just shoot a decoy for my dog to retrieve and go home to sleep. Then I got a text with a picture of a bunch of teal paddling around near a HRC friend and hunting buddy's dove bucket, and later, word that his HRCH had just completed a very nice double in some really tough tall cover. Then, an email from another longtime HRC friend said that he was out with his old Lab and his young Lab on the youngster's first hunt.

Having your youngster tag along when still too young to hunt can have a profound impact on whether they go on to hunt later.

Rich Carpenter(2)

This breakfast would be good anytime, but when ravenous after a morning's hunt, it just don't get any better. Wonder if that dog is drooling like I am at that bowl of fry sausage?

Hunting and HRC. Just a good fit and why so many of us are part of and active in this fine organization. Conceived by Hunters for Hunters. May it be that way always.

Then another text comes in, this one accompanied by a tailgate picture of doves from a morning hunt, with a nice yellow Lab named Indy, and the words "I'm sure missing my grandpa this morning. Wish the three of us were sitting around Merl's slough this morning instead." It was from the grandson of a great friend and hunting partner and HRC test companion we lost that year. Did that uncork a flood of memories! And each one of them seemed to lead to another one involving all sorts of hunting and HRC friends living and passed, hunting dogs of the past, present and future and thoughts that ran the gamut from sad to happy to anticipating and wondering. The yellow Lab in the text picture was about nine weeks old when I'd last seen it on a trip to South Dakota. That was my then-current Lab's first dove hunt and his departed sire's last South Dakota dove hunt. His grandpa got him involved in HRC with his first dog when he was a teenager and he is still involved.

I had the pleasure of hunting with this now-grown hunter since he was just a youngster getting started hunting and was there for his younger brother's first hunt with the same grandpa. Theirs was a special relationship, valued and enjoyed equally by the grandpa and the grandsons. My 12-year-old granddaughter came with us last season on her first upland hunt and just nailed the two pheasants she got shots at. One excited girl and ready to go back again! She shoots scholastic sporting clays, so gun handling and safety were good. And it was fun to watch her begin to learn to read flushing dogs and how to effectively and safely gun over them.

If you are one of the few HRC members who do not hunt, I can't encourage you strongly enough to get started hunting. It will bring so much more special meaning to what you are doing with your retriever and add a whole category of great additions to your memory library. Years ago, we had a lady member of our club who just liked doing "doggie things" and added one more by training their Lab for HRC for her husband. Next thing you know, it's her own chest waders, shotgun, duck call, and when her husband's job took him out of town during season, she and the dog were out on the slough by themselves hunting ducks. Hunting is a contagious disease.

Yep, this lady is the grown-up little girl with her dog in the driftwood blind picture. Now in Alaska and has had opportunities to hunt, among other waterfowl and upland birds, Emperor geese, Harlequin ducks, and ptarmigan. Think that first trip as an eight-year-old might have played a part?

We don't all have hunting parents or family who takes us into the field. I didn't, but was very fortunate to have a hunting uncle who introduced me to guns and hunting squirrels, rabbits, varmints, upland birds, duck, geese, deer, and elk.

It's always good for us to keep an eye open for someone who wants to learn to hunt or needs mentoring. A friend of my son takes this to the extreme. He travels a big section of the country calling turkeys for wounded veterans and youngsters who don't have hunting parents.

I'm pretty sure if you make it known in your local HRC club that you'd like to start hunting, you can find several members who will be ready and willing to help you make the trip down the primrose lane to total lack of free time in the fall and pretty much inability to tell the truth when it comes to hunting adventures and results and accompanying dog work.

Hunting and dog work are so much fun. And we are just getting started, with months of fun afield and in the marsh ahead of us with our shotguns and HRC retrievers, as well as savoring some special wild game meals. Enjoy the hunting and the dog work! And then, Bon Appetit!

Salute the gray beard hunting retrievers. It's this one's 14th dove opener. Doesn't take as much to satisfy them as they get on in years, but they still love it. This one might be unique. His owner says in his youth he completed HRCH and UH titles on the same day. Lots of running in 14 seasons.

But enough dreaming, reminiscing, and wool gathering. As we go at it again, or more importantly if for the first time with a hunting retriever, we need to think of a few other things.

If our dog is beginning to age out, it's our responsibility to not let the graybeard overdo it, or have its enthusiasm write some checks that its old muscles can't cash. And if you have never had an old dog, they love it so much they tend to think they are still ten feet tall and bullet proof. They don't need as much to enjoy their time out, and we need to think about that and keep them from overdoing it. It may be an old dog loves the upland flush but just can't cover the grounds to get those flushes. A commercial game preserve may let that retriever hunt another year or so as a level that meets its ability. Toward the very end that might be a pheasant planted ten feet away for the old timer to flush. Our way of saying, "Thanks."

At the other extreme, we may be hunting with our young four-legged hunting partner for the first time. Again, it's our responsibility to make sure we do it in a way that is safe for the youngster, provide opportunities for retrievers that are within the scope of the young dog's ability and don't create bad habits that can be hard to break.

And it's possible you've never hunted with a dog and just reached your goal after training and running some HRC test. It's said that a goal is just a dream with a date on it. Enjoy! This is probably a good time for you to pick some brains and get some free advice for things to watch for from some of your local HRC club members with experience.

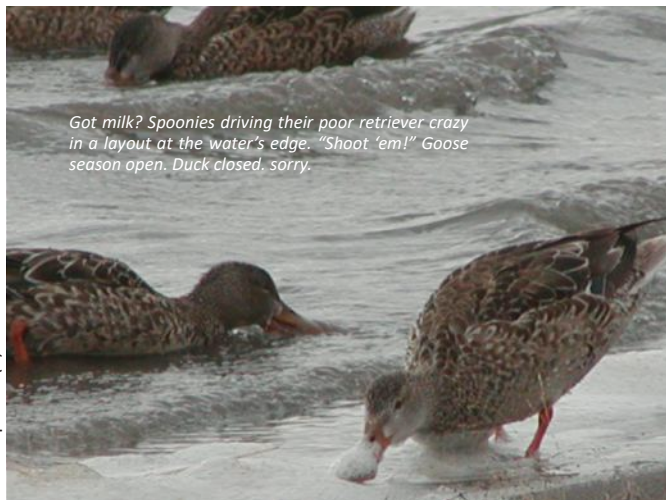

This young dog is apt to still be learning the ropes on rough terrain, heavy cover, wind and river current, etc. We probably don't need several people hunting and hope for young dog to be able to mark much. If the dog is not steady, we want to restrain it so breaking doesn't get started. If we think it is steady, it may be good to hunt with a friend and let that friend do the initial shooting while we watch the dog like a hawk or restrain the young dog to start just to be sure.

Remember key to an excellent hunting dog is control, so do not short obedience in your training. And if you hunt in some ways that are not typical, it is better to establish the standard and then let the dog deviate than start with the deviation and get that engrained and then try to go back to standard. Yoda in the original Star Wars is often not thought of as a retriever training guru, but he is. "Control. Control. You must learn Control." He spoke the truth!

One of these things is steady to flush and shot in upland hunting. Trying to convince someone on either side of steady or not steady quickly gets into the realm of politics and religion. You do not want to go there. Make your decision and hunt with like-minded folks, whichever side you land on. You will need steady-to-wing-and-shot if you want to run HRC Upland Tests.

If we have a dog that is just starting blind retrieves, we need to not create issues or hurt its confidence by asking it to try difficult blind retrieves with factors it is not prepared to handle.

If we haven't gotten blind retrieves established solidly, even if the dog would be steady on upland, it's probably a mistake to hunt it on upland. Once it knows how to run straight, it is easier for the dog to differentiate running straight on a blind, running crooked on upland and then back to running straight on a blind.

Got milk? Spoonies driving their poor retriever crazy in a layout at the water's edge. "Shoot 'em!" Goose season open. Duck closed. sorry.

It doesn't take much time to occasionally take advantage of a little training opportunity. For example, a dog just learning blinds may make an excellent difficult retrieve on a mark that presents factors the dog is not ready to handle on a cold blind. But it only takes minutes to replant that mark and let the dog run it as a blind that is not totally cold but one that can help it take those factors in stride.

We need to be cognizant of whether the dog has experience with wind-blown marks or birds drifting on the current downstream of where they fall. If not, and you have out-of-season access to where you hunt, it doesn't hurt to give them a little bit of experience with retrieves that are not just where they landed.

For sure they need to be familiar with decoys, whether a handful of puddle duck decoys on water or a bunch of goose decoys on land.

If we will hunt out of a boat, layout blind, dog stand or a pit, clearly familiarization with that is very important before suddenly dealing with something like that along with the excitement of a first or early hunt.

One thing to think about is how we hunt and how it relates to HRC tests. There may be a test situation where you want to have your dog do what you want in hunting, but it will cost you a ribbon. Fine if it's important. For example, when my dog is having a hard time finding a bird I blow my whistle and tweet it into the area and then say, "Hunt it up. Right there." That's fine if you are willing to go without the ribbon for the experience. Judges will pretty uniformly want you to put the dog on the bird, once you handle.

We need to be cognizant of where the dog is when the shooting starts so we don't ring its bell or harm its hearing. We probably don't want to hunt with a second dog unless our young dog has had work honoring in training. If not, the young dog needs to be restrained until released, if hunting with an older, steady dog used to taking turns.

It's always good to think about the kind of hunting we do and help acclimate a dog ahead of time.

It's good to carefully select our hunting buddies. If it's not someone we know and train with and have hunted with before, we need to be sure they are aware of our young dog's

training status and any expectations we have for them as we get the youngster started on a solid hunting career.

Lots to think about. It is so much easier to avoid bad habits than to try to cure them once established.

As time in the field progresses, you and your dog will become a closer, better team. And you will see your retriever gain hunting savvy that you mostly can't train for but comes over time. Example: dog goes for a wounded duck, it dives. It can be a major puzzle for the young dog. The old veteran may wait for it to surface for a bit, then head for the nearest shore that looks like the cover a cripple would seek out.

Hopefully, you are running HRC hunt tests to better prepare the dog for hunting. And it's also important that we think about what level the dog is running and try to control, to the extent

"I done good retrieving that cripple, huh, Boss? Next time you need a little more lead."

possible, hunting that is able to fairly closely match that level.

If you're new to this, be thinking about it when the season is over. You'll need to transition back to training and HRC tests. Your dog will have spent several months with mostly shorter marks, and blinds where you put up with a lot of looseness, because the bird is not flagged and you're not sure where it is. It is not hard to transition back, but be aware.

Whether we are running a Finished dog in its prime, a young dog on its first hunt, or a graybeard nearing the end of its career, it is about as much fun as we can have. But it is always good to think about what our dog is ready for and able to do.

Good hunting. Remember, HRC is "Conceived by Hunters for Hunters," and getting active training with your local club and running realistic HRC hunt tests that use a real shotgun can pay big dividends come hunting seasons, whether we are at the Started or Finished level. If you're thinking of only training for and running Started, consider getting to at least Seasoned level. A HR-titled dog is going to be a solid waterfowl dog and probably better than 90% of dogs we'll run into on public hunting areas.

Here's to great HRC testing, hunting, and eating! 🍖

THE STARTED TEST:

WHERE THE JOURNEY BEGINS

By Clark Kennington

When I look back at my first HRC Started test, one thing stands out more than anything else: I almost didn't go. It was February of 2004 near Vicksburg, Mississippi, and Max was still a young dog. At that point in my life, I wasn't thinking about hunt test titles, Finished dogs, nor making a career out of training retrievers. As we talked about in the last column, I really only had one goal: I wanted a dog that would pick up my ducks.

My good friend, Patrick, convinced me to come to a HRC hunt test. I had never been to one and really didn't know what to expect. Patrick explained that what we were doing with our dogs which was directly related to what I wanted out of Max as a hunting dog. So, somewhat reluctantly, I went.

More than twenty years later, I can still remember walking to the line with Max behind the headquarters at Mahanna WMA. I remember the land retrieves and the water test, but more than anything, I remember how I felt.

I was a ball of nerves. There is a different feeling when you walk to the line at your first hunt test. You can train all you want beforehand, but when you get there, you suddenly realize that you aren't completely in control anymore. It's an incredible leap of faith because once you send him for a bird, it's almost all on him to do the work. Thank God, Max went to work.

He did great on the land test, and then he did great on the water test. By the time we were finished, I was pumped. I'd gone from not really wanting to attend to having an absolute blast. I didn't realize it then, but that Started test was about to change the direction of my life. My goal now is to get new handlers as pumped as I was after my first test and to give some insight into what Started is all about.

What Is A Started Test?

For those of you who have never attended a HRC event, I think the easiest way to describe Started is, "the gateway into the HRC hunt test world." Before you ever get on any testing grounds, you've got to enter the test, right? Typically, HRC tests are found on the HuntSecretary website (www.huntsecretary.com). HuntSecretary lists past and future hunt tests, their locations, the judges, and the cost to enter the test. The nitty gritty details of the test are what's called the "premium." Premiums can also list very helpful information like recommended hotels in the area and directions to get to the testing grounds.

It's very important that when you decide on which test you want to enter, that you pay close attention to the date and time that it opens. If you have a test that is due to open (or to start accepting entries) at 7:00 p.m., make sure to check to see which time zone is listed. If I were to sit here and tell you I've never misread an opening time and missed my chance to enter a test, I'd be lying. We've all been there.

Once you've got your test entered, now you need to make sure you've got the right getup. HRC states that a handler must be in camouflage. Most handlers wear a hat to both shade their eyes and to also help with handling their dog, should it come to that. It's also not a bad idea to wear comfortable shoes or boots. I've been to my fair share of tests that are in some of the slickest, stickiest mud that you can imagine. You throw a thunderstorm on top of that, and you could be going on a wild ride if you're in Crocs and socks.

As far as training goes, get your dog used to navigating decoys and retrieving real birds. Judges use real birds in every HRC test, and decoys in most of them, too. You might also find

it beneficial to get yourself one of those low-sitting, swiveling chairs to be able to swing around to each bird while your dog sits next to you.

After that, the concept is intentionally straightforward. There is a land portion and a water portion, with the dog receiving two single retrieves in each. That gives the dog four retrieves all together. The marks are designed to be relatively simple and the distance is no longer than 80 yards. The dog doesn't have to be steady at the line in Started, and the handler can hold the dog until the bird hits the ground. Once the handler releases the dog, the dog must bring the bird back to the general vicinity of the handler.

What to Expect From Your First Started Test

For someone attending their first test, there are a few things that may be unfamiliar. Before the test begins, the judges hold what's called a "handler's briefing." That's when you're sitting in your truck, scrolling on your phone, and suddenly someone shouts, "HANDLERS!!" Everyone gathers around the judges' tent and then they walk everyone through the test. The judges explain what is expected from both the handler and the dog, including the layout of the test and the order of the birds. Once those aspects are covered, the judges will then call for a "test dog." The test dog is your way of seeing exactly how the test is supposed to look for each dog. It's one thing to listen to the judges tell you where the birds are going to fall, but it's an entirely different perspective seeing it play out in person. As handlers stand behind the mat and watch the test dog run, make sure to stand relatively still so the dogs are able to take casts correctly from the handler. Once the dog has completed the test, that is your opportunity to ask the judges any questions you may have. Once all questions have been answered, it's dog to the line!

To back up a little bit, after the test entries close, you will be assigned a flight letter (A, B, C,...), as well as a running number. Both of those will be posted on HuntSecretary (or whichever website was used) once the test entries close. Remember your number. That's how the judges identify your dog and keep track of your performance throughout the test. Then, there is a running order, which is handled by the test marshal. The test marshal is responsible for coordinating the running order and is the go-between for the handlers and the judges, should any problems arise.

Once you get close to your number, maybe three to five dogs out and depending on how long it's taking for each dog to run, it would be helpful for you to air your dog. That way, your dog is not distracted by anything while they are running the test. You'll walk with your dog on lead to the holding blind. Typically, there are two holding blinds before you bring your dog to the line, but I have seen tests where there is only one due to limited space. You'll hang out with your dog in the holding blind until the handler in front of you has completed their test. Personally, this is my time to calm my dog. Some of mine like to give hugs and handshakes and some like their bellies rubbed. Now some of my other dogs do NOT need extra amping up before birds go flying, and that's okay, too. At the end of the day, this is supposed to be an enjoyable experience for both you and your dog.

Once it's your turn, the judges will ask for your dog's number and say, "Dog to the line." You're up! Take a deep breath. It's all going to be fine! As your dog proceeds through the test, remember to keep calm, make deliberate casts, and to have fun. It's going to go by too quickly. After you and your dog are finished, walk to the other side of the judges' tent with your dog in a heel position and then leash your dog. That's it!

Once all the dogs in your flight have run the first series, you'll then proceed to the next series and repeat the process again. Only this time, you will be on land or water, whichever you didn't run in the previous series. After the second series is completed, it's time for ribbons! Should your dog pass, you will receive a nice-looking ribbon listing the level of the test completed and which HRC club put on the event.

Everyone loves the ribbons, but even more importantly than the ribbon, is the pink slip! DO NOT forget your pink slip. They are the carbon copies of the documentation that your dog has completed tests and earned points. It's up to you to keep up with them. Other than that, you did it! If you have time in your day, make your way over to watch the Seasoned and Finished dogs so that you know what to prepare for in the future and to watch some really incredible setups and dogwork.

The really great thing about Started is that you don't have to arrive knowing everything about HRC. That's part of what makes it such a good entry point. Listen to the judges, ask questions when appropriate, watch the handlers ahead of you, and enjoy the experience. It's important to remember that everybody who has been involved in this game for any length of time has had a first trip to the line, and there's not a person there who wants anyone to fail.

Passing the Started level is a huge milestone, but it's only the beginning of an incredibly rewarding journey with your retriever. Take the time to celebrate those hard-earned pink slips, continue building a solid foundation, and get ready for the next challenge. We will build on this momentum in our next article, where we'll discuss Seasoned tests and how to prepare for them. 🐾

WOMEN *of* HRC:

Historical Look Back

Lynn Frady teaching a shotgun handling seminar. Photo submitted for a 2019 article on gun handling and safety.

For many years, the October/November issue of Hunting Retriever has been dedicated to the Women of HRC. This year is no different. Stroll with us through some archival “Women of HRC” photos. For more than four decades, women have been an important part of the Hunting Retriever Club, bringing their dogs to the line since day one. These photographs capture it all. Some faces and names may be familiar, while others offer a glimpse into the women who helped shape HRC along the way. Their stories span generations. And while these pages look back, women are still making this club work today, from the field to the club leadership level and everywhere in between. To the women of HRC, past and present: we see you, and we’re glad you’re here.

-Compiled by UKC

1. From the first Southern Illinois HRC licensed hunt test, October 5, 1985. Names were not provided, but the original article shared some details about that event: “Crab Orchard National Wildlife Refuge in Cartersville, IL. The hunt grounds consisted of goose fields and back water bays.”
2. HRCH Duckponds Sophie Jo received her Championship title in October of 1989. She was owned and trained by Kathy Gibson.
3. Seasoned Judges Robert Youngblood, Claudine Christopher, and Mitch Fontenot. Photo submitted with the Southwest Louisiana HRC hunt report in 1989.
4. Two of the Finished Judges, Connie Thibodeaux and Danny Thibodeaux. Photo submitted with the Southwest Louisiana HRC hunt report in 1989.

ATTENTION, ALL HRC CLUBS!

If you would like to have your club report included in the Region Reports section of HUNTING RETRIEVER, please follow these guidelines.

- First and foremost, be aware of the magazine deadlines. Each Public Relations Representative must observe the magazine deadlines, so make every effort to get your material to them well ahead of each deadline. They will need time to compile all the club reports into one document, so don't wait until the last minute to send or e-mail your information to them.

The deadline is the 15th of January, March, May, July, September and November (or the next business day thereafter if the deadline falls on a weekend or holiday). That is the final date the material must be into the magazine, therefore, ideally, all club reports should be received by the Representative no later than the 10th.

- Any club reports sent directly to HUNTING RETRIEVER magazine, bypassing the PR Rep, will be returned to the sender.
- If your club is not going to submit a report, be sure to let the Representative know so they are not waiting on it.
- Very Important! If you are emailing photos, please send each one as a separate

attachment, and please supply photo captions for each photo. Please don't embed the photos in your text document as this changes the values of the photos, making them unusable.

- Please don't alter the photos in any way - including changing the file size or the resolution, and cropping. Please remember that all digital photos will reproduce at the same resolution at which they were taken. A photo taken at a low resolution photo will remain "low res" even if it is "bumped up."
- Please furnish clear descriptions and/or captions for all photos.
- *If the photos were taken by a professional photographer, written permission to publish must have been obtained, and a photo credit must be included.
- Region Report Content Guidelines: The following can be included in the Region Reports: Hunt test descriptions; hunt test photos (group pass photos, for example); items that will be of interest to all national members; photos that relate to the report.
- Please proof all of your material before sending it to the Public Relations Representative.

Ottawa Valley HRC: Submitted by Bruce Hood. Ottawa Valley held our annual hunt on September 5-6. It was the biggest yet, with two Finished flights and Seasoned and Started tests taking place on two beautiful properties. The weather was terrific, and the ponds were full of all the rain we've had this summer. Saturday evening's banquet featured a delicious roast beef dinner with all the fixings and a nice raffle table. Thanks to many generous donors. Lots of great dog work, familiar faces from around Region 1, and handlers new to the HRC joined in the camaraderie and fun. Our thanks go out to the landowners, bird techs, cooks, donors, and the many other hardworking volunteers for your parts in making the hunt a big success. Hunting season is approaching, so weekly training nights ended the following Thursday. Have an enjoyable and safe fall, we'll see you next Spring!

Georgian Bay HRC: Submitted by Mike Masucci. Georgian Bay HRC hosted its yearly Upland test on September 12, 2026. Although we had limited numbers, a great deal of fun was had by all, including completing the apprenticeship for two new judges in Region 1. The members of Georgian Bay wish the members of HRC a happy hunting season, best of luck in the Fall Grand.

Luther Marsh HRC: Submitted by Sue Snow. Well, our testing season is almost done for Luther Marsh club members with our hunting season just getting started! Our Luther Marsh annual hunt August 8-9 was a great success with a HUGE shout out to all those who volunteered, whether judging, loading equipment and wingers, working on the raffle table, or most importantly feeding us all! THANK YOU! Club members have been busy running Region 1 tests. With Georgian Bay and Essex in July, in August was our Luther Marsh hunt, September was Ottawa Valley's hunt and Georgian Bay's Upland test. Some club members even headed south to Region 2 to run with Northern Montezuma in August. There is one more upland test for those looking for additional upland passes with Lake Ontario in October. Monthly club training days will begin again this month and run throughout the winter. Watch our Facebook page and your inbox for emails from the club's "Dog To The Line" account. If you are interested in our training days or joining the club, please reach out to luthermarshhrc@gmail.com Memberships can be submitted through dogtotheline.com on the Luther Marsh club page. Looking forward to seeing everyone throughout the year!

Backwoods HRC: President Marcus Bullock
Hello HRC Family. It has been a busy summer and beginning of fall at Backwoods HRC. We've hosted monthly training days in the rain and heat, grown our membership with handlers that are eager to learn, kicked off the fall hunt test Campaign, and have gotten the chance to run our dogs on geese and doves. Good luck to all who are running tests this fall and safe hunting during duck season!

Eastern Carolina HRC: President Will Webb. Hunt test season is in full swing throughout Region 3. We at Eastern Carolina HRC had a successful fall test the weekend of September 12-13 in Four Oaks, NC with many first time HRC handlers joining us for the weekend. The weather was hot and muggy, but the dogs didn't seem to mind. A highlight of the weekend was our 50/50 raffle where we raised \$960 with \$480 donated back by the winner with all proceeds going to the HRC Scholarship Fund. Very soon, our attention will turn to the marshes, rivers, and swamps as we prepare for the upcoming fall flight of waterfowl. We have many members who are planning to travel with their four-legged companions in search of full straps throughout the Midwest and Canada before the long grind of a NC season begins here at home.

Middle GA HRC: President Lane Blanchett. Report submitted by Brittany Maxey. Middle Georgia HRC recently hosted a successful judges seminar, bringing together judges, prospective judges, and dog handlers for an informative event. While the seminar provided valuable training for those interested in becoming or continuing as judges, it also offered dog handlers a unique opportunity to gain a better understanding of the judging process, standards, and skills involved in hunt tests. We would like to thank everyone who participated and helped make the seminar a success. A huge thank you to Jere and Kevin Baggett who let us use their barn for the seminar. And a special thank you goes to our field rep, Marcus Bice, for his hospitality and for helping make this event possible.

Photos from Middle GA: Prayer before the seminar begins; great turnout for our seminar; Marcus making sure we are paying attention; food and fellowship – an HRC tradition.

Southwest Georgia HRC: President Matthew Tyler. Submitted by John Wagon. Trying to beat the heat over here in SOWEGA. Training has been early mornings when we can. The early migratory hunting season has gotten things fired up. Our fall hunt test is around the corner. Good luck to everyone in the field and at the line!

Carolina Boykin Spaniel RC: President Josh Pope. As we begin a new season, we would like to wish everyone the very best of luck during the upcoming hunt test and hunting seasons. We are excited for another year of working with dedicated handlers, hunters, and dogs across the club. Our hunt test schedule will be updated soon, so be sure to watch for upcoming announcements. We look forward to seeing familiar faces, welcoming new participants, and sharing another successful season together. Good luck, have fun, and stay safe!

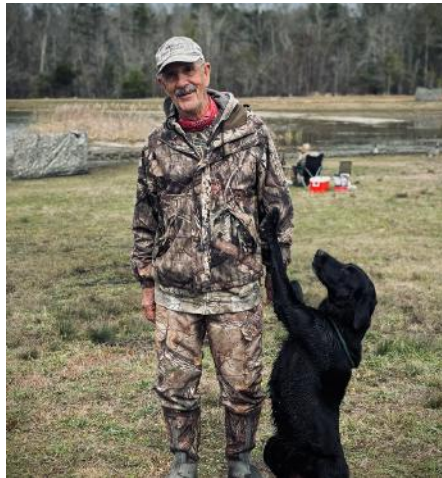

Cherokee Foothill HRC: President Jim Lollis. Submitted by Ashton Burns. Cherokee Foothills HRC recently gathered for a rainy training day in the mountains at Crabtree Retrievers and Kennels. While the weather may have left us a little muddy, it certainly didn't dampen the fun! Handlers, youth handlers, and their retrievers spent the day working through hilly mountain terrain and putting their dogs' skills to the test. One of the best parts of these training days is the opportunity to spend time with fellow club members. Experienced club members are always willing to share advice and lend a hand,

while newer members have the opportunity to learn and gain confidence alongside their dogs. The camaraderie and willingness to help one another are what make CFHRC such a special club. As we wrap up our spring/summer training activities, our focus now turns toward our Fall HRC test in November. We're looking forward to another great weekend of testing, fellowship, and celebrating the hard work our members have put into their dogs throughout the year.

Photos from Cherokee Foothill: A view from the line; CFHRC Secretary and newest member Baby Wylie; Youth Handler Max Burns with dog Boone; mountain view was gorgeous.

Coastal Empire HRC: President Todd Reed. Coastal Empire has experienced an exciting rejuvenation. We have recently elected a new board: Todd Reed, president; Ian Gee, vice president; and Michelle Ervin, secretary/treasurer. We are having training days twice a month with great participation. We've experienced membership growth and interest. It's awesome to see folks taking an interest in the club and the sport that we all love. We look forward to a great turnout for our fall hunt test in Sylvania. We have several members preparing to depart for St Louis and the 2026 Fall Grand. Best of luck to all participating. Finally, the club lost two great dogs the last few weeks. They were not only a big part of their families' lives, they were both great athletes. Our thoughts and prayers continue to be with the Stewarts (Rave) and the Siam (Willie) families.

Photos from Coastal Empire: Kevin Stewart and Rave; Bobby Siau and Willie.

Midlands HRC: President Lee Lybrand. Submitted by Donna White. It has been a while since I have submitted a report, but quite frankly, there has not been anything to write about. As we all are aware, the heat here in the South has been brutal and not really been conducive for training days with a group, let alone training alone for more than an hour or two at the most. Midlands did hold a judges/handler seminar in August. Mike Botts, the national field rep came down to help Kevin Stewart who is our Region 4A field rep since this was Kevin's first seminar to present. From what I understand, there were

a lot of new faces in attendance. Not sure if they were new judges or handlers looking to see what is expected of them and their dog at a hunt test. Midlands will be holding their fall hunt test in October and hopefully the weather is more cooperative for running dogs. As usual for the fall, it will be held in Lincolnton, GA, on property owned by Sandhill Kennels. We will have a great lineup of judges. They will not be all local judges but will be brought in from outside our area. Hopefully that means some judges will be able to run their own dogs for a change! North Georgia HRC held their fall test on September 5-6 in temperatures as high as 99-100+. Thankfully, the judges were able to set up tests that were short but challenging for some dogs. Everyone was able to get out of the heat by no later than 2-3 p.m. And to my knowledge, there were no heat related issues to man or beast. And the bird techs, who were a scout group I believe, were troopers (pun intended!) and held up pretty well. Two Midlands members, Drew Ellyson (with Cypress) and Don White (with Ali) were there running in Finished. Both teams passed both days. Congratulations guys. I believe the next magazine issue will only be the printed one from the Grand so any report about our fall hunt test will have to be put on hold but at least I will have something to report! In the meantime, I wish everyone a happy Thanksgiving and a very joyful Christmas holiday.

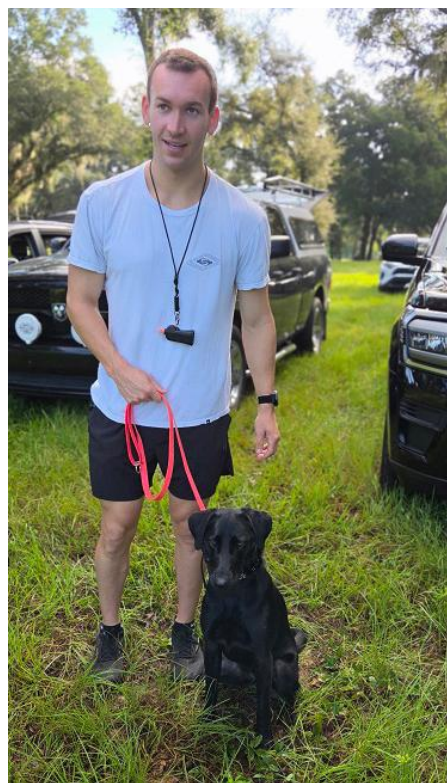

Photos from Midlands: Drew with Cypress, and Don with Ali after their successful Sunday; Drew and Cypress focus on the first mark; Ali says let's get this done... too hot out here; glad that's over!

Central Florida HRC: President Kelli Riggs. The CFHRC hosted a Judge's/Handler's seminar on Saturday, July 18, in Groveland, FL. Our regional field rep, Alan Wilcox, gave an informative presentation on current running rules, good and bad test set-ups, and new rules that were voted on at this year's annual meeting. We had a nice mix of judges and handlers present. The club provided a free lunch of BBQ pork sandwiches with all the sides for all attendees. Our club had a phenomenal turnout at our last club training day on Saturday, August 29, in Montverde, FL. It was awesome to have three brand new, enthusiastic members joins us with their really nice young dogs. We also had a few old members return to rejoin the club to play the HRC game again. A total of 16 handlers and 27 dogs showed up to brave the August Florida heat to run both a land and water setup. The setups were Finished level setups that could be simplified for the lesser experienced dogs. There was an emphasis on holding blind manners, line manners, and proper gun handling. A HUGE thank you goes out to club members, Karen Porter and Erik Bluemke who stepped up to lead their setups so both could run simultaneously. We ran 27 dogs in both setups by 1 p.m. it is wonderful to see newer club members getting

involved in mentoring and helping other club members in their training endeavors. We are excited about our upcoming fall hunt test in Montverde, FL. We will have two Finished flights and one Started & Seasoned flight each day. This year, the club is offering brand new title ribbons to acknowledge the hard work that goes into achieving an HRC title. For the first time, we will have a convenient BBQ set up both days, offering a hot hamburger/hotdog lunch with drinks & chips for a small fee for handlers.

Flat Coated Retriever, Edwin, owned by Kelli Riggs, ran his second Finished test in North Georgia and came home with a ribbon.

Northeast Florida HRC: President John Spivey Submitted by Susan Poole. We had a small group for our August training day at a new public park in Nassau County (northeast Florida). We set up a land blind with some challenging factors and two long water marks, which was great conditioning for the dogs and good experience for the handlers. members are busy preparing their dogs for the Fall Grand. Good luck! We are also busy making plans for our January 2027 hunt test at Lake Butler.

West Mississippi HRC: Submitted by Karen Davis. To say it has been a hot one would be an understatement, but the training has gone on and the results show. Chris and Heather Ashley of Banner Kennels have been collecting ribbons right and left for themselves and their clients. Several of our members are getting ready for the Grand next month. Jim and I were just going to work the Grand and watch the GREAT dogs run. Some of our club's accomplishments are: GRHRCH X 5 UH Dixie MH HOF, owned by Andrea Lewis, is continuing to rack up more points with several passes. GRHRCH X 4 Reload MH HOF, owned by Chris and Heather Ashley, more passes/points to the total. GRHRCH Lulu MH

has collected 30 more points towards that HOF, owned by Heather Ashley of Banner Kennels. GRHRCH Neon MH also working on the HOF with more finished passes, owned by Heather Ashley. HRCH Finley MH and HRCH Delta MH, owned by Andrea Lewis, continue to rack up points as well. Then there comes Karen Davis with newly titled HR What Part Of No Don't You Get (AKA Laurie).

We have had some bad luck too with traveling to and from HRC tests. Tom had to get a dent repaired in his tailgate. Jim and Karen had to fix a flat on Interstate 220 with the temp at 110 degrees and Chris and Heather had a dog trailer tire pass them up as they were traveling down the road. Broken spring, flat tire that rolled so far away they could not find it. It is the love of the dogs and the game that keeps us going!

Central Alabama HRC: President Thad Simmons. Hopefully by the time this article reaches everyone the heat will have broken and we will be having a little bit cooler days. We held our late summer test at BBFF Kennels in Brilliant, Alabama at the home of the world-famous Ethan Corkren. Kudos to all the judges and club members for getting everything started right at daylight and finishing up a little after noon. It was very exciting to see so many new faces at our fall test and look forward to them returning at our April 2027 test. We wish everyone the best of luck this test season and hope to see you soon. If you are interested in joining our club, please email us at <mailto:aezell01@comcast.net> for more information.

It brings us grace sadness to announce the passing of our Vice President Richard Graves. He was such a great man and very instrumental to so many people. You never heard him say a cross word, and he was always willing to help anyone. He is a great example for what we should all strive to be. He was very soft-spoken humble loved everyone and love Jesus Christ. We miss him dearly, but we will always cherish the memories that we made together. I'm writing this article as I'm headed to pre-Grand train for the upcoming Grand. We are gonna miss you Pops. I don't know how many tens of thousands of miles we've traveled across the country together, but I know I'm on my third truck and he was on his second, but he was driving a Toyota. I have his three dogs with me running in the Grand and I sure hope I'll make you proud Pops. It's just not going to be the same without you. Central Alabama's going to start a memorial scholarship in Rick Graves name.

Central Alabama HRC was fortunate to purchase an AED for use at all our hunt tests and events. We created an Emergency Plan that was included in all of our judges books and marshal boxes. It included step by step instructions of what to do should an emergency arise, names and numbers of onsite medical help as well as nearest local hospital information. We also co-hosted a Judges and Handlers Seminar, August 29, 2026, where the AED was present. If you would like information on setting up your emergency plan, we would be glad to help. Contact Ashley Ezell, Club Secretary and PR Rep for Region 5 at aezell01@comcast.net.

North Alabama HRC: Submitted by Ashley Ezell. North Alabama HRC has been busy this year with our spring test completed in June and our upcoming fall test scheduled for October 24-26, 2026. I encourage everyone to monitor our website and Facebook page for our upcoming member activities.

Dark Cypress HRC: Submitted by Kris Bolan. In preparation for our inaugural hunt test October 24- 25th, Dark Cypress HRC Club has been busy getting new board members and club members, fundraising, and preparing everything for their test. We have hosted several training days through the summer and have had a great time as a club. Members of the club have run their dogs for the first time, and we have multiple new tiles. New members at all levels are welcome!

Gun Creek HRC: Submitted by Kirk Keene. Hunt test season is upon us, and several of our members are training hard in preparation. By the time of this publication, we hopefully have more titles to add to our pedigrees. Even if you're not planning to run any tests this fall, be sure and get your pup out to train consistently in lieu of the upcoming waterfowl and upland season.

REGION 7

Ohio River HRC: Submitted by Barb Reed. Ohio River HRC had its first annual fun day! We had a singles challenge and a blind challenge for dogs at various levels. Then we had a bumper toss challenge for the members. Of course, we had to eat! Everyone brought some food to share, and the club provided burgers for everyone. We still have two more training days on the calendar for the year. We had officer elections: Mike Reed president, Kathy Poole-Price vice president, Barb Reed treasurer, and Sharon Bennett secretary. Good Luck with your hunting season!

Randy McComas

Central Michigan HRC: President Randy McComas. Hope this finds you all well! The hunt test season is coming to an end here in Region 7A and what a season it has been! If you haven't made it up to check it out, here is our invitation to you all! I would like to take a moment to thank each and every one of you that came and judged these tests and the workers who always come through and never stop until the job is finished. I hope this hunting season is the one to remember. To our friends running the Fall Grand be safe, have fun, live in the moment, and most of all run what yo!

Michigan HRC: President Bob Zapalski. Submitted by Caitlin Weller. Michigan HRC has had another great season of training, testing, and fellowship within the HRC community. Our 40th anniversary annual hunt test was a fantastic weekend, bringing together dedicated handlers and talented dogs. We are incredibly grateful to our judges and workers for giving their time and energy to make the event a success. Their support is what keeps these events running and makes them so enjoyable for everyone involved. Thanks to Jorgensen's Farm, Michigan Flyways Retriever Club, and to all who came out to make this one to remember! Best of luck to folks continuing their hunt tests, especially our members heading to the Fall Grand. Wishing everyone a safe, successful, and enjoyable hunting season ahead!

Great Lakes HRC: President Phil Swedberg. Hello from Great Lakes HRC. Our region is now wrapped up from another successful test season. Early goose season is in full swing in Michigan and many of our members are spending time in the blind. We're looking forward to another season of chasing ducks and upland game here in the mitten state. We have had a few titles earned this year, it is always so fun to watch dog/handler teams put in the work and be rewarded! Enjoy your upcoming waterfowl season!

REGION 8

William Kehoe

Badger State HRC: President Bill Kehoe, wckehoe@gmail.com. Badger State HRC had a great time at our summer hunt where we joined forces to celebrate Fox River Valley HRC's 40th Anniversary Hunt at the Bong Recreation Area. The weather cooperated for an excellent weekend. Since the last report, Meghan Kehoe's "Cody" and Tom Hauptert's "Dubh" earned their HRCH titles. Most of our training groups have transitioned to taking advantage of early Goose, Teal and Dove hunting opportunities. All the dedicated training this year, has really paid off. As always, stay safe, hug those dogs and follow us on our Facebook page!

Ohio HRC: President Greg Emlinger. Submitted by Randy McComas. Another hunt test season has come to an end. Ohio HRC test AKA THE DANCE is the last test in region 7A. Thank you to all of you that make this possible: our judges, club members, and friends/family. This is the bittersweet test of the year sorry to see it end but what a great time it was! See you all next year! Happy Hunting!

Saint Clair Flats HRC: President Russell Duset. Submitted by Kenneth Frazee. As this is being written, our goose season and early teal season are underway. Many of our club members are applying their training efforts in the field, and several are preparing for upcoming hunt tests this fall. One of our recent gatherings featured a simulated goose hunt which was enjoyed by those who attended. Last week we concluded our weekly club training sessions for the year with some fun work on water. Many thanks to our training coordinator Ken Bennett as well as to Russ and Kelly Duset for their efforts at each of our weekly training events this year. We appreciate all those who participated in making this a safe and fun hunt test. We are starting to plan for our winter upland hunt test which will be held January 9-10, 2026. Wishing everyone and their dogs a fantastic time this autumn.

Southern Michigan HRC: President Larry Fisher. Submitted by Cher Craite. As the hunt test season winds down, it's a good time to set individual goals for the 2027 training season. We are very fortunate to have experienced members and pros who can help and encourage each other through classes and training days. What do you hope to achieve with your dog this year? What steps should be taken to get there? Are there "holes" in your training that should be revisited? The cold months are a great time to watch videos or listen to podcasts. Let's get ready for Spring. And remember, "Always do what is right, with dogs and people." - Rex Carr

Cranberry Country HRC: President Adam Bally, ballysgundogs@yahoo.com. Cranberry Country HRC held its third annual waterfowl hunt test at Bally's Gun Dogs in Tomah, Wisconsin on July 10th and 11th. Originally, we planned on two flights of Finished it was necessary to reduce the hunt test to one flight of Finished due to lower-than-expected entries. This format turned out to be ideal for handling all the moving parts of the weekend and most likely will be continued. There were twenty-five walk-ups which helped decidedly in filling those stakes. The weather fully cooperated with moderate temperatures, light winds and partially cloudy skies making for some great dog work. The grounds were near perfect with corn row patches to obstruct the view of other things happening on the cranberry bogs and the naturalized tech pond was a big hit with both the Finished and the Seasoned tests that rotated through the weekend. Many thanks to the Tomah FFA and Vernon County Dairy Council for providing us bird technicians. Both organizations used their pay to attend the state fair in Wisconsin which helped kids do what they love to do showing their farm animals. A shout out to Muddy Waters HRC that continues to support our club by loaning needed equipment and entering our hunt tests. Their members did quite well while earning qualifying ribbons at every stake. The camaraderie in HRC is exceptional! The Saturday night banquet held at the Tomah Warrens Sportsman's Alliance was a smashing success with close to fifty people in attendance. The food was spectacular with smoked brisket, pulled pork, slow baked ham, yeast rolls, cheesy potatoes, coleslaw, BBQ beans and cheddar pea salad, followed up with a decorated sheet cake. Everybody got their fill and then some. Raffle prizes included the Garmin Collar, G5 Zinger Winger and Dogtra Electronics plus loads of training gear and a bottle or two of spirits as well in the drawings.

Horicon Marsh HRC: President Matt Sadowski, skiski4217@gmail.com. With hunt test season coming to an end, members of Horicon Marsh HRC are shifting gears and getting ready for the hunting season. It's a bittersweet time of the year. I'll miss hanging out with all the hunt test friends every weekend. But everyone is looking forward to the upcoming hunting season. Good luck to all the hunters out there.

Muddy Waters HRC: President Evan Meyer. Muddy Waters held its annual hunt test in August. As is tradition, it was hot, but it was also a great weekend. The judges set up challenging and fun tests, and plenty of buckets of water were dumped thanks to a lot of passes at all three levels. Thank you to all our handlers and, especially, our volunteers who gave their time

and helped make the weekend run smoothly. The Thursday following our hunt test was our annual "Don Silloway Appreciation Night." Don is well known for his Hawaiian shirts, so naturally the appropriate training attire was "Hawaiian camo." It has become a fun Muddy Waters tradition and a fitting way to have some fun following the hunt test.

In late August, several Muddy Waters members also participated in a Wausau-area Sporting Heritage Youth Day. Nearly 200 kids, ranging from elementary through high school, attended the event. At our station, the kids received an introduction to retrievers and hunt tests. They had the opportunity to meet and pet the dogs, learn a little about what retrievers do, and then choose one of the dogs to personally handle through a hunt-test-style setup. For many of the kids, it was their first opportunity to actually work with a trained retriever rather than simply watch one. It was a great chance to introduce the next generation to retrievers, hunt tests, and the sporting traditions we all enjoy.

With September here, our organized Thursday training nights are officially on pause until next spring. Our members are now trading holding blinds for hunting blinds as waterfowl seasons begin. After a busy summer of training, testing, volunteering, and introducing some new faces to the sport, we're looking forward to putting all that training to use this fall.

WISILL HRC: President Maureen Shaw, Maureenshaw93@gmail.com. Since our last report, WISILL HRC hosted our annual August hunt test, and once again it was great to see our members, their dogs, and handlers come together for a successful event. One of the highlights was seeing youth handlers competing at every level. WISILL HRC is proud of its commitment to introducing the next generation to the sport of retrievers, and watching these young handlers gain experience and confidence is very rewarding. We look forward to continuing to support and encourage our youth handlers as they develop their skills. Thank you to the Troop 85 scouts who did an outstanding job loading and planting birds for the hunt.

WISILL is also proud to announce that three club members have been selected to judge the HRC Fall Grand. Congratulations to Larry Andersen, Jim Caughey, and Lenny Gums on this well-deserved recognition. We are proud to have WISILL members represented not only as judges, but also as committee members and site coordinators at this prestigious event. Their willingness to volunteer their time and expertise is a great reflection of the dedication of our club members and the HRC family. Good luck to all of the WISILL members and handlers running the Fall Grand! Running the Grand is an accomplishment in itself and is the result of countless hours of training and dedication.

As hunting season gets underway, this is the time of year when all those early mornings, long training sessions, and hours spent working with our dogs begin to pay off. We wish all of our members a safe, successful, and enjoyable hunting season. May your dogs find plenty of birds and bring back many memorable retrieves!

Arrowhead HRC (www.arrowheadhrc.dog): President Jace Tramontin, mnretriever@gmail.com. **Submitted by Deann Zimmer.** Our 10th annual hunt Test was held in Mt. Iron, MN on August 8-9, 2026. We could not have asked for better weather. Although we were initially very low on entries, we decided to stay the course and hold our event. We are thankful that UKC offers a walk-up option because we ended up with more walk-up entries than we have ever had previously. This made for a very busy Saturday morning. Thank you to Deb Reid for stepping in at the last minute to help me with taking registrations and filling out point slips. Thank you to our Marshals Deena Congdon, Carla Spikberg, Karen Vossbein, and Lynn Ettl for your patience and assistance with keeping the dog numbers and running order accurate. Thank you to Minnesota Iron Range Retriever Club for our ongoing collaboration and use of the fantastic grounds, camping sites, club house, and pole barn. Thank you to those MIRRC and AHRC members who came and volunteered to load wingers and assist where needed. Thanks to member Dennis Anderson and his connections

with the Lone Star HRC club, located in the Dallas Texas area, we had the pleasure of hosting judges Laurie Hardage and Joel "Cooter" Moore. I believe Laurie had her first opportunity to judge a curly-coated retriever, and several Nova Scotia duck tolling retrievers for the first time. We also have a new record for furthest distance traveled by a handler, and she is Sara Cox from England. Thank you to judges Pat Gysbers, Kip Dixon, Jeff Wilson, Mark Stites, Shannon Stites, Steven Vacinek, and Deb Reid for your ongoing support, commitment, and upholding the HRC/UKC hunt test standards. We are appreciative of the handler/dog teams that participated. We hope you all had a fun weekend full of great dog work and took something home from the banquet. We hope that you will join us next year!

Please join us in congratulating the following members on their achievements: Mark Ettl with Gert earning her Hunting Retriever Champion title and Sam earning her Started Hunting Retriever title, Wade Samson and Rex earning their Hunting Retriever title, Karen Vossbein and Hailey earning two Seasoned passes, John Thomas and Darby earning a Seasoned pass and Jettson earning a Finished pass, Emily Baraga and Bonnie earning two Started passes, Mariah Rozell-Ninneman and Janara earning a started pass, Chris Spikberg and Hawkeye earning their first two finished passes, Carla Spikberg and Chassis earning two started passes, Hailey Lewis and North earning two Started passes, Kelly Kosinsky with Cheddar, Tuna, and Olive all earning two Started passes.

(HOF) Dog, Hope handled by Rich Henderson. Congratulations to everyone and we look forward to seeing you again next year.

Jim River HRC: President Deb Eckhardt, labs2love@hotmail.com. Jim River has a new 500-Point dog, Nene! Congrats to Casey and Jessica Dowler. We had a huge fan club waiting in the wings for Jessica and Nene to finish their run and congratulated them with huge applause from everyone.

The club held their annual Hunt Test in August, and we are truly thankful to all the club members, judges, and handlers that attended and supported our club. Numbers were lower this year in Started and Seasoned, but our Finished flights helped a great deal. Total dogs that ran: Started Dogs - 27; Seasoned Dogs - 16; Finished A Dogs - 114.

Our club continued our tradition of awarding custom plaques to dogs that achieve their HRCH or higher. This year we will be awarding 13 plaques to owners and their dogs. 10 HRCH titles, 1 500 Point dog, Nene handled by Jessica Dowler, 1 -1,000 Point dog, Bishop owned and handled by Kim Olson, 1 Hall of Fame

Land O' Lakes HRC: President Dave Perkins, dave.perkins@usbank.com.

Fall is here. Early goose season has opened, and around camp the stories have already started flowing—memories of crisp mornings, full skies, great dogs, and those seasons when the harvest counts seemed a little higher and the days a little longer. As the years go by, it's easy to find ourselves reminiscing about the good old days. The birds are still around, but sometimes it feels like the only things getting older are me and the dogs.

Looking back over the last two years, though, I'm reminded that every era creates its own good memories. I have a new pup, and while training has been slower than I would have liked, we've come a long way together. I also find myself reflecting on the club and the people who helped shape it. I especially miss many of the senior members who taught me so much and whose wisdom and friendship left a lasting mark. Their influence is still felt every time we gather, train, and work together.

As my two-year term comes to an end this December, I can't help but wonder if the club is better than it was two years ago. Some things remain the same, some things have improved, and most importantly, we have new goals and opportunities ahead of us. What has never changed is that this club thrives because of its members and volunteers. I am incredibly grateful for everyone who contributes time and effort to training days, board meetings, and our two hunt tests each year. There were times I worried our tests might not come together, but somehow they always do. Time after time, members step up with their time, money, and expertise, and it's always rewarding to hear someone say, "Your test was awesome."

As we look toward the next two years, I'm excited about what's ahead. One new addition

to our summer training days will be what we're calling "Concept Training," which will be held alongside our traditional test-type of setups. These sessions will focus on areas where members want some additional help and experience. Topics may include steadiness at the line, blind retrieves, T-drills, line manners, healing, de-cheating, and more. I still have plenty to learn myself, and I hope to lean on the experience and knowledge of many of our senior members. Don't be surprised if you receive a call asking for advice—or better yet, asking you to join us at a training session.

We are also planning Upland training days every weekend in February and March, thanks to our friends at Pheasant Ridge. The tentative dates for our Upland Test in late March. Please visit our website calendar for details and registration information.

Finally, I want to extend a special thank you to Kirt Meyer. Kirt serves as our Training Coordinator, Treasurer, longtime club member, and AA Judge. Few people have invested as much time, energy, and dedication into this club over the years. The club is stronger because of those efforts, and we would certainly miss Kirt's presence and leadership week in and week out.

Prairie Lakes HRC: President Kim Olson, kimslabs@runestone.net. Submitted by JoLynn Olson. Another hunt test season is in the books for Prairie Lakes HRC, and now our members are gearing up for hunting season and looking forward to putting all that training to work in the field! A huge congratulations to Kim Olson and Bishop, who reached an impressive 1,000 points. Congratulations also go out to Jamie Lanoue and Hazey, who earned their Hunting Retriever Champion (HRCH) title this season! We're proud of all our Prairie Lakes members and their dogs. Here's to a safe and successful hunting season and plenty of retrieves ahead!

Amberjack Farms HRC: President Jack Johnson, duxdogretriever@yahoo.com. This month's training activities at AmberJack Farms HRC were limited due to the severe heat. We did get in a training session that started just as soon as the sun came out to try and beat the heat. As the weather starts to cool down, we will try and schedule more training days. East Arkansas HRC: President Chris Akins, duxdog@aol.com. Submitted by Kevin Jackson, Kevin.jackson1488@gmail.com. Greetings to all from East Ark HRC. Thanks to all the judges and handlers that made our fall test a success. We look forward to seeing you in the spring.

Felsenthal HRC: President Bob Edmonson, robertedmonson@gmail.com. Greetings to all from Felsenthal HRC. We hope you have endured this long hot summer. It's September as I write this and by the time you read it, it will be time for our fall test. October 10th and 11th are the dates and I hope to see you there. Duck season will be right around the corner here in the south! And that's why we train! Hunt tests are in full swing once again, even with the scorching temperatures and dry weather here. I Hope to see you all in the near future! Blessings from Felsenthal HRC to you all!

Four States RC HRC: President Melissa Fyffe, Melissa.fyffe@gmail.com. Submitted by Darla Attaway, dattaway@swat.coop. Four States RC was honored to host a Women's Seminar on July 25, 2026 at Red River Retrievers in Texarkana, Arkansas. We appreciate Greg Milhorn and Lawson Barker for the use of their property. As stated in our last report, Whitney Killough, pro trainer (Ace Acre Retrievers) and Vanessa Everett were our very knowledgeable instructors and did an awesome job. I personally loved the attention to detail in every aspect from gun safety, running blinds, insights to force fetch, handling, drills, etc., up to and through running a mock Seasoned hunt test. We had approximately 14 ladies attend, from Texas, Arkansas, Oklahoma, Louisiana and Mississippi. I felt that they all received some individual support and attention addressing their questions and concerns. We hope they all left the seminar feeling more informed and confident, as they prepare to train and run their own dogs. A huge thank you to Cadet Odden, Doug Attaway and Glen Scarborough for their help in setting up and helping during mock test. And not to forget UKC, HRC, Purina, Garmin, and lanyards donated by Wurm Leather Lanyards (check out their Facebook page). Check out our Facebook page for all the pics posted by Retrieving Memories. So excited about our Fall Benefit Hunt Test, Sept 5-6, 2026, honoring and

remembering our long-time member and friend, Steve Lach!!! This test will raise funds for the Tri-State Area Alzheimer's Alliance. Matthew 25:40. And yes, in the midst of all this, we are still out there having training days! If you are in our area, we would love for you to become a part of our Four States Retriever Club family.

Pin Oak HRC: President Jon Schultz, jschuetz@gmail.com. Submitted by Peyton Agnew, peytonmagnew@gmail.com. The Pin Oak Hunting Retriever Club, located in Region 9, successfully hosted its July and August training days with an excellent turnout and strong member participation. These events provided valuable opportunities for handlers and their dogs to sharpen their skills and continue their development in a supportive and engaging environment. July's training day was held on the beautiful grounds of John Borchert and Larry McMurry, whose generosity and hospitality helped make the event both productive and enjoyable for all involved. In August, the club was excited to welcome several new, younger dogs to the training lineup. Their progress and enthusiasm have been encouraging, and members look forward to watching their continued growth in the months ahead. Looking

forward, the club has officially set the dates for its upcoming fall hunt test, scheduled for October 3-4 at Peppers Pond in Mayflower, Arkansas. This highly anticipated event promises to be another highlight of the season. As the Grand approaches, the Pin Oak Hunting Retriever Club extends its best wishes to all members and fellow handlers. We wish everyone the best of luck and safe travels as they compete and represent the retriever community.

Cadet Odden, Region 9A Public Relations Representative. Welcome to Region 9A! First, I would like to welcome our new Region 9A Running Rules Rep, Tim Blan! Tim has many years of supporting HRC through club membership, running dogs and judging. Congratulations! We are in full swing of the fall hunt test season with several clubs with events on the calendar. If you need any help contacting a Region 9A club, please shoot me an email at cadeto@att.net. I'd be happy to introduce you and your retriever to any one of the clubs in our area.

Cimarron Valley Hunting Retriever Club: President Kathy Roll. Submitted by Katie Smith, Public Relations. Cimarron Valley HRC on Facebook. As we all know it's been hot here and hard to train much in the heat. Looking forward to a little cooler weather. Our fall upland is coming up and should be a fun time for all. Hunting seasons are starting and club members are having fun with better trained dogs. Good luck to all of you this season.

Sunflower Retriever Club: President Lyle Hammerschmidt. Submitted by Lori Greer, Public Relations. www.sunflowerretrieverclub.org, Sunflower Retriever Club on Facebook. Greetings from the Sunflower State. The Sunflower Retriever Club is pleased to welcome

our newest member, Fred Barton, to the fold. Our 10th anniversary hunt test marked a milestone for the club successful, memorable, and undeniably hot. We extend our sincere appreciation to every club member, handler, judge, and volunteer who contributed to the weekend. The extreme temperatures demanded extra vigilance, and our members rose to the occasion, ensuring the safety and wellbeing of everyone on site.

We were honored to celebrate this anniversary alongside several EC members. Sarah Krause judged Started both days, while Kristine Odden ran her dog. Kristine and Cadet generously stepped in wherever help was needed from marshalling Started handlers to setting up equipment and loading wingers. We were also grateful to have our field representative, Rusty Noahr, judging Finished on Sunday and apprenticing Beth Walizer in Seasoned on Saturday. Judges Ben Kuhn and Kevin Redman made the long drive to join us, and we deeply appreciate their time, commitment, and dedication to HRC. Huge thank you goes out to all our handlers for making the drive and celebrating with us!

In keeping with tradition, we hosted our annual youth hunt. Judges and club members set up two landmark scenarios designed to spark excitement and introduce young participants to the retriever game. Several returning Civil Air Patrol bird techs joined in the fun, adding great energy to the event. A special thank you goes out to Freddy King, who continued a longstanding Sunflower tradition by providing every child with a duck call. As we transition from dove season into the Kansas duck season, temperatures remain warm, but dogs are already getting out and picking up a few birds. It's an exciting time of year for our retriever community.

We also want to send safe travel wishes to all HRC members heading to the 2026 Fall International Grand. Our gratitude extends to the volunteers and handlers who continue to support the Grand with unwavering dedication, especially Marion Grace, Pat & Rita Johnson, and Lori & TJ Greer. Looking ahead to this fall and into the new year, the club will be holding officer elections. More information will be shared soon.

Green Country Retriever Club: President Michael Bullen. Submitted by Cheryl Blan, Public Relations. GreenCountryRetrieverClub@gmail.com, FB Green Country Retriever Club. This summer has been one of the hottest on record for Green Country. This is a four-state area that includes SE Kansas, SW Missouri, NW Arkansas and NE Oklahoma. Many of the townships have broken the record on number of days above 100 degrees and the highest temperatures of record since 1912. To say we have lost our green and are desperately looking forward to fall season. Before the hot temperatures, our club did manage to have a few training days and we are so fortunate to call the grounds at The Retriever Academy home with so much opportunity for land and water training. This awesome facility in Miami, Oklahoma is where we host our events. We hope to see you in the fall and again in the spring for our hunt tests and training days.

An accomplishment for Green Country RC this year was the addition and promotion of judges within our membership. If you are looking for judges at your next club event, please consider these great individuals to set up great bird placement and fun test sites. You can find their contact information on the HRC website under Region 9A. Judges from advanced stakes will accept assignments at the entry level stakes. Currently there are fifteen (15) judges in the club available for Started/Seasoned/Finished and Upland assignments. We're looking forward to seeing everyone at our next event. God bless.

North LA HRC: President Andy White, andyw@leeedwardsauto.com. Hunting season is almost here, and most of our club members are getting in their last tests of the year. I would like to apologize to anyone who had to make changes to their schedule due to North Louisiana HRC having to cancel our fall hunt test. We truly appreciate your understanding and apologize for any inconvenience this may have caused. Looking ahead, we have our spring test scheduled for May 23, 2027, and

our Fall Test scheduled for September 11, 2027. Congratulations to all of our members on their accomplishments, and best of luck to everyone as they continue preparing for the Fall Grand. Train safely, stay hydrated, and we'll see you in the field! We look forward to seeing everyone at our upcoming tests and wish everyone a safe and successful hunting season!

Lake Charles Retriever Club: President Robert Falgoust, lcretrieverclub@gmail.com. Submitted by Chris Fontenot. LCRC has been busy planning for our fall hunt in October. By the time of reading this report, our test will have come and gone. Look for photos, etc., in next issue. Looking forward to cooler weather this Fall. Teal season is coming up along with the Grand. Good luck to all traveling to St Louis. The teal season is only eight days but a good time to show off some dog training and shoot some birds. Good luck to all on your hunt tests this season. See ya soon!

Pontchartrain Retriever Club: President Alex Aucoin. phrcdogs@gmail.com. Submitted by Taylor Bourgeois. The Pontchartrain Hunting Retriever Club (PHRC) has experienced another successful year marked by growth, strong member participation, and a continued commitment to promoting the sport of hunting retrievers. Over the past several months, the club has hosted several outstanding events, including its spring HRC hunt test at the Bonnet Carré Spillway in Norco, Louisiana. The club was also proud to participate in the Louisiana Sportsman Show and looks forward to returning for the 2027 event to further promote hunting retrievers, hunt tests, and the club's mission.

Looking ahead, members are eagerly anticipating the fall 2026 UKC hunt test in October. PHRC extends its sincere appreciation to the participants, volunteers, judges, marshals, and supporters whose dedication helped make these events a success. We will also continue monthly training days that provide opportunities for education, dog training, and fellowship. A central focus of PHRC remains encouraging youth involvement, supporting the

growth of the retriever community, educating handlers of all experience levels, and preserving the traditions and values that define the sport.

The club is proud to announce its 2026-2027 officers: President Alex Aucoin, Vice President Jennifer Cross, Treasurer Mathilde Danziger, and Secretary Taylor Bourgeois. Members and supporters are encouraged to stay informed about upcoming events, training days, and club activities by following the Pontchartrain Hunting Retriever Club Facebook page.

Amite River HRC: President Jeff Holley. Submitted by Ron Lewis. www.amiteriverhrc.com. Well, it is now football season and teal and waterfowl seasons are around the corner. The Fall Grand is just days away and will be over by the time you read this. Hopefully some cool weather will be here soon also. We had great training days in late July and early August. Many thanks to the Anderson family for hosting us in July and to the Lake Rosemound HOA for hosting us in August. Thanks to Lake Rosemound residents Kathy Terry and Denise Paul for coordinating—we had a good time, got in some good training, and were fed a delicious meal! Stay tuned for our next training day event.

We decided not to have a fall hunt test this year due to conflicts with both the Grand and teal season. As we look forward to winter and spring, we will have our annual Christmas party in December and we will have our spring hunt test in March—dates to be announced soon. Amite River HRC welcomes our new members and encourages all members to participate in events and meetings. Please stay informed of all meetings, events, and training days via our Amite River HRC Facebook page and via GroupMe texts. Hope to see you soon.

Central Louisiana HRC: President Jennifer Spier. Submitted by Mary Anne Sayer, masword@suddenlink.net. Again, faced with excessive summer heat, Central Louisiana Retriever Club (CLRC) successfully held their August regular hunt a couple weeks ago. The hunt committee and judges used the good judgment that come with experience in choosing test sites and designing tests that had retriever safety as "priority #1." On each day, three finished flights were full with nearly 35 entries each, and our seasoned flight had 36 entries on Saturday and 30 entries on Sunday. Our Started entries declined over the past two years. So, the best news was that our Started flight was nearly half

full with close to 25 entries each day. CLRC was honored to support our own Becky Lyons as an apprentice Started judge. Thank you, Becky for stepping up to sit in the judge's seat! Club members, sport dog suppliers, local businesses, and several HRC sponsors helped make our annual raffle a big success. This event provides the funds we need to maintain and replace our hunt test equipment. Preceding the tailgate supper and raffle was our Puppy Run sponsored by Delta Waterfowl. This is always a pretty exciting time as children with retrievers at any stage of training and adults with puppies have a chance to handle a couple retrievers in front of an audience or family and friends. Delta Waterfowl takes this opportunity to highlight hunter safety, the importance of wetland conservation to waterfowl hunting, and the way our retrievers help conserve waterfowl. If you missed this event, you missed a great meal of grilled pork steaks, dirty rice, slaw, rolls, and desert. Our mouths were watering all afternoon as the smoking was done. Much thanks to the finest (male) cooks in Avoyelles Parish!

Next up for CLRC will be the HRC International Grand Hunt in St. Louis, MO on September 19-23 where several members are handling retrievers or own retrievers that are competing. Our club meetings are on the third Thursday of most months, 7 p.m., at 1889 Monroe Highway in Pineville. All retriever enthusiasts are welcome!

Big D HRC: President William Goodnight. www.Bigdhrc.com. At this time, Big D members are working on our October 2026 hunt test to be held in Collinsville, TX. We are hoping to have a big turnout this year.

Cowtown HRC: President Keith Hill. www.Cowntownhrc.com. Hot and dry, hot and dry, and hot and dry. August has been pretty brutal for training in North Texas. Club members have been up at the crack of dawn to get some dog training done as it has been unbearable in the evenings outside for training. However, two Cowtown members got some in and got some passes at the Four States test. Anthony Vandeford and Ramsey picked up their 1st Seasoned pass and Johnny Moon and his Boykin Spaniel, Tuff picked up that elusive 3rd pass and that Seasoned Title. Johnny also picked up a Started pass on Ava and Jazz, his other little brown rockets.

Great Job Guys! As we get ready for Fall Hunting Seasons lets be mindful of the dry conditions and the steps we can take to prevent wildfires. Be cautious if driving in tall grass as our vehicle engines could spark a fire, likewise, mowing can be dangerous if you hit a rock or pipe and cause a spark. Please be sure to thank our volunteer firefighters, law enforcement officers and game wardens in doing their part to protect our land while risking their lives. Until next time, play hard and train harder!

Lonesome Dove HRC: President Patti Southerland. Submitted by Courtney Prater. www.LonesomeDovehrc.org. It's been hot here in Texas, and boy, are we ready for some cooler weather! After a long Texas summer, we're more than ready for crisp mornings, muddy boots, and dogs doing what they love. Lonesome Dove HRC is gearing up for duck season, and the excitement is definitely in the air. Training days are starting to feel a little more purposeful as we prepare our dogs for mornings in the blind and another great hunting season. We also have some exciting accomplishments to celebrate within our club! Two of our Lonesome Dove HRC members have officially reached the HRC 500 Point Club! That is an incredible milestone and a true testament to the time, dedication, and teamwork that goes into this sport. We are extremely proud to have them representing Lonesome Dove! As we head into fall, we're looking forward to cooler weather, good dog work, time spent with friends, and hopefully plenty of birds in the air. From all of us at Lonesome Dove HRC, we wish everyone a safe and successful duck season. Here's to great retrieves, good memories, and hopefully another great season!

Lone Star HRC: President Kyle Krause. Submitted by Laurie Hardage. www.LoneStarhrc.org. It's been a busy month for Lone Star HRC members. We had our annual Top Gun Shoot in early August. There was a great turnout with excellent shooters. Bill Vigrass now owns the bragging rights for the next 12 months! Opening day for dove season finally got here. It's a record year for dove this year in Texas and several members took advantage of the bumper crop. Most reported getting their bag limits and their dogs did great. Temperatures are still in the 90's in Texas in September so extra care and close supervision of our retrievers is a must when out in the field. The Club is starting to prepare for our Upland Hunt test on November 21st and 22nd in Terrell, TX. It's always a great test. We hope to see you there.

North East Texas HRC: President, Sharon Beall. Submitted by Amie Kelly. sharonlabs@aol.com.

The North East Texas HRC Club has kicked off the opening day of dove season with several of our members out in the field. From 3 generations of a family hunting together to the dog's first dove hunt. There also are members who are also busy fine tuning the dogs up for the Fall 2026 Grand. Good Luck to each and every one of you that are headed to the '26 Fall Grand, safe travels, and let every bird be seen and blind be straight. Not only have the members been out in the dove fields and getting Grand dogs ready for the big day, they also have been doing some puppy training and running tests. Connie and Ken Starling's dog, Maggie, received her HR Title. Way to go Maggie! Gary and Glenda Kelley's four-month-old pup Rally, is doing great in puppy training. Along with those dogs, Amie Kelley welcomed a new pup of her own, Mazie, she loves retrieving and jumping over those logs. In this Texas Heat, not much long and technical training is going on, due to being careful and not overheating the dogs. Something has been on my mind lately, due to the hunt tests being almost none here in Texas and not having the time to travel, as I know most here in Texas feel that way. Feeling like you are training your dog and for what. I know there is one of my dogs that has not ran a test all year. So, it got me thinking, what am I doing this for then, then it hits me. There is something special about the first retrieve of the hunting season. After months of bumpers, training birds, whistles, and drills, hunting season finally arrives. For some it is dove season for others it is duck season. Guns are ready, the dogs are settling in beside us, and you can almost feel the excitement as the first birds begin to fly overhead. Then it happens. A shot rings out, a bird falls, and suddenly all those hours of training have a purpose beyond the training field. Your dog sees the bird hit the ground, lock in, and waits for the release. When you finally send them, there is something different about watching them disappear into the field or water after a real bird, not a training bird. There are no judges watching. No gallery standing behind you. Marks are not carefully planned and measured out. It is just you, your dog, and the moment you've both been waiting for. That first retrieve of the season is a reminder of why we spend so much time training. The steadiness, marking, handling, and teamwork aren't just about earning ribbons and titles. They are the foundations that allow us to trust our dogs and our dogs trust us when it matters the most, in the field. While we all enjoy watching our dogs succeed at hunt tests, there is something about hunting season that brings them back to their roots. Watching a retriever do what generations before them were bred to do is hard to beat. So, whether it's the first dove falling into a sunflower field or that first duck splashing into the water, there is one thing most of us can agree on. There is nothing quite like the first retrieve of the season!

Kansas City HRC: President Rich LaVergne. Submitted by Secretary Pam Haahr. kchuntingretrieverclub@gmail.com. **Kansas City, MO.** In July, KCHRC hosted their annual club meeting and elected some new officers for the next two-year term. We are excited to have Steve Stark stepping into the president's shoes, Walter Brown as vice president, David McGrath as our club treasurer, and Pam Haahr continuing as secretary! We are looking forward to building on what has made this club so strong over the past 20 years and excited to see our club continue to grow! In the past few months members have been enjoying the fall hunt tests, dove hunting, and club training days! A big thank you to Triple J Kennels for hosting us for our August training day!

Photos from Kansas City: Muffin, owned by Noah Jamvold, had a good day in western Kansas with loads of birds and extremely hot weather; A tough dove opener in central Kansas with the heat, but Chase, owned by David McGrath, did great! Marais Des Cygne HRC: President Rick LaVergne. rick@dandrakennels.com. We are the newest club in Missouri 13A. August 8th we had our first board meeting at Roger's Waterfowl Weekend. We are working and planning for our first preliminary hunt test (April 3 and 4, 2027) at Walters Kennel. It is up on Hunt Secretary so plan to come out and have a great time with us.

Photos from Marais Des Cygne: Jason Stover and Nathan Buckman, two of our members.

Mount Rushmore HRC: President Alan Case, alan.case60@gmail.com. **Rapid City, SD.** Mount Rushmore HRC's members have been busy running hunt tests and training. They have also been busy doing a lot of weed-eating around the ponds so everyone can train in them. We are in the middle of a drought. Although the ponds are spring fed, they are down about a foot, and the pond at the east gate is dry. A far cry from how full they were when we had our hunt tests here. I think everyone is ready for hunting season to get in full swing, and the temperatures get cooler so it feels more like hunting season. We hope everyone has a successful hunting season that makes many memories with friends, family, and their retrievers.

Platte Valley HRC: President Curt Lacey, curt.lacey@yahoo.com. Brighton, CO. Platte Valley HRC wrapped up the 2026 hunt test season with our third hunt test of the year, which was the 40th anniversary hunt test, August 29 and 30. This was probably the most challenging hunt test because Colorado happened to be in a drought and the original hunt test grounds, Stillroven Farms, didn't have any useable water as of July 16 when PVHRC received the call. With that said, Platte Valley HRC had been working on the 40th anniversary hunt test since mid-April and the last thing Platte Valley HRC wanted to do was cancel. Tuesday, July 22, Platte Valley HRC VP Jeremy Lowry knew of some property in the north part of Ft Collins, CO owned by Bill Seaworth, so Jeremy stopped by late afternoon and asked. Talk about a Hail Mary; Platte Valley HRC got the green light the next morning. The following Thursday, Jeremy Lowry, David & Lee Ann Heldt, and Alan Goff met with Bill Seaworth and got a tour of the grounds, and the board received the thumbs up to proceed having the test at Seaworth's property. A big thank you to Jeremy Lowry for finding a great location for Platte Valley HRC's 40th anniversary hunt test and the other PVHRC's board members Lee Ann Heldt, Mike Kuetemann, Mike Brockman, Jim McLaughlin, Mike Schwan, Alan Goff, Joe

Soucek, Chris Jeffers, and Ron Waltman making sure this hunt test went on.

As I mentioned earlier, the preparation for the August hunt test started back in mid-April by putting together the 40th anniversary committee led by Mike Kuetemann with the help from Kelly Friday, Willie Ratliff, Jane Evans Cornelius, Alan and Tiffany Goff, Larry and Sharon Suedmeir, Randy Basarbara, Karena Mee, and Jeff Miller. The committee had to shift gears with the new test ground's location; they needed to find a new venue for the social which happened to be at the American Legion Post #4 just 0.4 miles from the test site. Thank you all and the judges for doing such a great job and being flexible. It just seemed that Platte Valley HRC's hunt test was meant to be at this location.

The social was very special. Rich Carpenter, one of the original members and still quite involved with the club and HRC, delivered a great presentation on the history of the club on how PVHRC evolved over the years. Members of earlier years were invited but only a few could make it, Joe Ed and Barbara Newsome and Bill Quinn. Don and Debra Ley were invited from the Southern Colorado HRC, which SCHRC was very instrumental in getting PVHRC started in HRC and donating equipment for PVHRC's first hunt test. I can't say enough how great PVHRC members did putting on the 40th anniversary hunt test at Seaworth's property and having the Social at the American Legion Post #4 after changing venues. Over the weekend, there were 17 SHR titles, 9 HR titles, 2 HRCH titles, and three 500-Point handler/dogs: Kathi Streeter, Jane Evans Cornelius, and Kevin Christner. The total entries for both days was 261. Also, a big thank you to the members helping at the test sites, re-birding, moving equipment when needed and picking up after the weekend's hunt test. Again, thank you all for putting on such a great 40th anniversary hunt test and social.

Southern Colorado HRC: President Brett Predmore, president@southerncoloradohrc.com. Pueblo West, CO. Our Southern Colorado HRC members wrapped up another very successful hunt test season, bringing home even more ribbons from the Western Colorado HRC, Roadrunner HRC, and Platte Valley HRC Hunt Tests! Way to go, SCHRC crew! We couldn't be prouder of all the hard work, dedication and teamwork our members and their retrievers put in this year. Congratulations to everyone on your accomplishments! As the hunt test season comes to a close here in Colorado, we want to congratulate all our club members on a fantastic year. Whether you were running tests, training at home, or cheering on your fellow handlers, you helped make this another great season for Southern Colorado HRC.

Now it's time to enjoy what we've all been working toward! With hunting seasons upon us here in Colorado, we hope everyone gets plenty of opportunities to spend some time in the field with their hunting retrievers. Good luck with this hunting season, everyone! Have fun, make some memories, and most importantly—please be safe out there! SCHRC will resume our monthly meetings in October, when we'll kick off planning for our 2027 Hunt Test. We're already looking forward to another great year! Again, congratulations to all our members, and happy hunting from Southern Colorado HRC!

REGION 14

Cascade HRC: President Pam Ulsh. Another HRC hunt test season has ended in the Pacific Northwest. As we say goodbye to our hunt test family, we think about all the good memories that were created this season.

Cascade training days were well attended and supported. We have great members who step up to help and who are eager to share what they know to help others learn. In addition to our regular days, we offered several upland training days which were a lot of fun. Dogs and handlers alike seemed to have a good time. Both sit to flush and quartering improved with each training day. In general, the upland tests in the region were well attended.

While tests in Region 14 are not close together, many club members do travel a lot to support the clubs and run tests. Luckily, there is often camping on the grounds and other places to stay nearby. We did have 11 opportunities for test weekends this year, ranging from Northern California to Vancouver Island. We are fortunate that Region 14A is nearby, sort of, and with a few more miles, those tests are available, too.

This year Cascade worked with Whistling Wings HRC to put on two regular hunts and a double Upland on Monday. We were able to offer two flights of Finished (not full flights but we are getting closer). We did fill both our Upland tests, filling the scratches immediately. This was our first double upland and the plan is to continue to run it. Over the test weekend Davie Berg and Moxie earned their 500-point title, Louise Roberts and Patron and Rick Roberts and Selkie earned their 1,000-point titles! A sweet moment occurred when Rick shared his title time with Selkie's son Roane and his handler, Pam Ulsh, who earned his Upland title at 19 months.

It is sad to see another hunt test season come to an end but that just means that hunting season starts soon. By the time you read this, many retrieves will already have happened for both waterfowl and upland birds. So many happy retrievers!

Northeast Washington Gun Dog Club: President Dave Steinbach. Submitted by Gina Goodrich. newgdc.com. The NEWGDC held its Labor Day Hunt Test on the beautiful grounds of Burlington Ranch in Chewelah, WA. The fields and ponds were in prime condition for our last test of the year, and the close of yet another hunt test season in Northeast Washington. We had beautiful weather on Saturday for handlers and dogs. The club hosted a taco bar dinner Saturday night which brought everyone together for great food, ribbons, a silent auction and raffle. Water buckets were dumped but the festivities came to a quick close when a lightning and

thunderstorm rolled in and everyone scrambled to get their winnings so they could get out of the storm and torrential rain.

Big thank you to the judges: Carol Black, Lennie Goodrich, Sylvia Lawson, Katie Mearns, Dave Steinbach, Kate and Pete Szilard, Pam and Boyd Ulsh and Chris Williams. Also, special thanks to our bird techs from the Inland Wildlife Council Boy and Girl Scouts Pack 203B and 203G. These kids worked hard to earn money for their club.

Our Hunt Chair/NEWGDC Treasurer Brenda Steinbach, Hunt Committee Dana Schmidt and Rob Henry, Hunt Secretary/ NEWGDC Vice President Jessica Goodrich, and Board Member Jon Callis did a stellar job organizing the event and ensured all our "ducks were in a row." We had approximately 24 entries in Finished on both days, and 8-9 in both Seasoned and Started with numerous walkups. There were lots of ribbons handed out, with several handlers earning well deserved titles at this last test in our region.

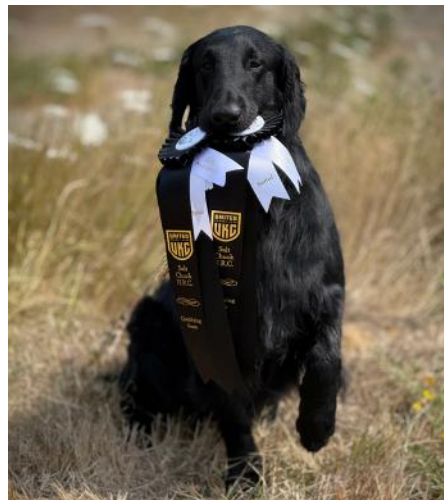

We were honored to be able to be there for Dana Schmidt's final Finished run with his beloved Chesapeake Bay Retriever Sophi. Dana will be retiring Sophi after this year, and it brought a tear to many eyes when she joined him to receive her Finished ribbon.

We are looking forward to the next hunt test in May 2027 at Burlington Ranch in Chewelah. Check out our website www.newgdc.com and also follow us on our new Northeast Washington Gundog Club Facebook page!

Salt Chuck HRC: President David Aberdeen. Submitted by Wendy Tisdale. schrcwebmaster9.wixsite.com. This year was a special year for our club as the Salt Chuck Hunting Retriever Club celebrated its 25th Anniversary! We celebrated this special occasion by holding two days of hunt tests on August 15 and 16, with flights in Started, Seasoned and Finished followed by double upland tests on Monday, August 17. The tests were held at Swallowfield/ Chemainus River Estuary in the Cowichan Valley on Vancouver Island. As part of our Anniversary Events the Hunting Retriever Club (HRC) sent two members of the HRC Executive to come and judge at our event; President, Glen Scarborough from Arkansas and Vice President Pat Johnson from Oklahoma. We were also thrilled to have our Region 14 Field Representative, Elroy Olson onsite and judging for as well. Also joining us as special guest judges Boyd Ulsh and Katie Mearns, who were both judges at the Salt Chuck Hunting Retriever Club's inaugural hunt tests back in 2001. We were honored that they could join us again at our tests this year to celebrate!

Our weekend was a great success with a total of 94 dogs running over the three days; 13 Started, 9 Seasoned and 9 Finished on the Saturday, 10 Started, 6 Seasoned and 12 Finished on the Sunday, and 35 runs in the two Upland tests on the Monday. The club celebrated with a tailgate BBQ on Saturday evening with a silent auction with lots of great items including a special raffle with a stunning quilt donated by Pam Ulsh. We were lucky to have Mother Nature's contribution of beautiful weather all 3 days. We hope everyone enjoyed the celebrations. Members are now preparing for the fall hunting season with their dogs and we continue, as always, with our monthly training days. Salt Chuck is proud to be the only HRC club in Western Canada and we are looking forward to our next 25 years of fun with our dogs!

Western States Boykin Spaniel Club: President Doug Burt. Submitted by Andy Engillis. westernstatesboykinspanielclub.com. Western States Boykin Spaniel Club is getting excited for the upcoming hunting season! Many titles were earned this year, and dogs and handlers are looking forward to putting their training to use. WSBSC will be hosting a Pheasant Hunt, Saturday October 31 in Corning, California, at Clear Creek Sports Club. Check our website for details. All breeds are invited! Our 6th Annual Regular Hunt Test and Double Upland will be the weekend of April 3-5, 2027. Incredible grounds, awesome tests and superb food! All breeds of course. Camping on site or at the casino. Pre-training will also be available. Happy hunting and see you at the line!

Whistling Wings HRC: President Kevin Biery. whistlingwingshrc.com. Our season closed with another successful joint hunt test and double upland test with Cascade HRC. Davie Berg accomplished 500 points on her poodle, Moxie. Moxie is believed to be the first poodle to have accomplished this milestone. Rick and Louise Roberts accomplished 1,000-Point titles

on their dogs. Louise with Patron and Rick with Selkie. Not to go unnoticed or un-mentioned, we also had a few Started, Seasoned, Finished and Upland titles. All the hard work from the handlers and their dogs surely paid off. Keep on training! Best of luck to all as you prepare for the waterfowl season. Looking forward to seeing all of you next season.

Treasure State Retriever Club: President Mike Heard. Submitted by Margo Ellis-Lingohr. Holy buckets, have we been busy. Our annual test was a huge success and this year we added a double upland test on Monday. HRC sent us Pat Johnson to kick off our preliminary upland test. I had forgotten how much fun they are. The birds weren't as cooperative as we would have liked but thanks to several folks, we were able to improvise to get two required flushes each dog needs. Stephanie Schroeder got some amazing pictures all weekend long. By the time this reaches our members we will be into hunting season. That is the reason we do what we do all year long. Wishing all our members near and far safe hunting and a fruitful bounty. We'll see you all soon at the line.

South Hills Hunting Retriever Club: President Randy Both. Submitted by Terri Sanders.

Greetings from South Hills HRC! Our club members have had a busy summer running hunt tests around the Pacific Northwest and Mountain West. We have had several members and their dogs obtaining their HRCH titles. Congratulations go out to Tyler Stratman and Darwin for making it to the 500-Point Club! As I write this, we are preparing for our inaugural upland quad which will be held at the end of the month. Hopefully we will have some UH titles and one UHCH title by the end of the weekend. After that, it's time to hit the fields and marshes for some hunting.

Hells Canyon Retriever Club: President Charles Freeman. Submitted by Kris Johnson. The Hells Canyon Retriever Club hosted its first HRC hunt test this month and a fun time was had by all. It was great to see so many talented dogs and handlers at all levels. We are looking forward to hosting future activities next year.

HUNT REPORTS

The number of dogs who earned Champion points indicates those dogs participating who were UKC registered on the day of the hunt.

Attention Clubs!

Your hunt report write-ups and photos must be sent to your Region Public Relations Rep to be included in your club's region report. This allows you to share your hunt & club news in one section!
This issue contains all 2026 Event Reports processed from July 15, 2026 through September 10, 2026.

Hunting Retriever Club, Inc. POINT CLUB RECOGNITION PROGRAMS

The 500, 1,000, 1,500, 2,000, 2,500, 4,500 & 5,000 Club Programs are recognition programs for HRC members who own dogs achieving 500, 1,000, 1,500, 2,000, 2,500, 4,500 and/or 5,000 UKC Championship points in the HRC Hunt Test & Upland Hunt Programs.

The HRC member-owner of the dog must be a member in good standing with HRC, Inc. for a minimum of 12 months prior to the time the dog earns the qualifying Championship Points (500th for 500 Club & 1,000th for 1,000 Club, etc.).

HRC recognizes the 100 Championship points that count toward the retriever's HRCH title & all additional points (including Preliminary Hunts) earned in Finished, Grand & Upland Hunt Tests toward the Point Clubs.

The Programs consist of the awarding of a specially designed distinctive jacket embroidered with the HRC logo, owner's name & the qualifying retriever's name. Only one jacket will be awarded for each 'qualified' dog.

However, additional jackets may be purchased by the owner through the HRC Administrative Secretary. This is to allow co-owners, spouses, family members, handlers, etc. to participate in the recognition of the accomplishment of the dog.

A Certificate of Accomplishment & Letter of Congratulations will be issued & sent to the 'qualified' dogs announcing their induction into these prestigious Clubs. An order form for the jacket will be included with the Certificate.

It is the desire of HRC & UKC, due to the significance of the accomplishments of these Hunting Retriever Champions, that the jackets be presented at a ceremony to the recipients at a National HRC event/by their home HRC Club with special ceremony.

Direct questions to Tammy Cobb, HRC Administrative Coordinator, at 269-364-2054/tcobb@hrc.dog

Following are additions to the list of all dogs and their owners that have met the qualifications for the clubs, compiled as of September 15, 2026.

NOTICE OF SUSPENSION

UKC makes every attempt to maintain an accurate and up-to-date "Notice of Suspension" list, and the list is updated regularly. However, as there may be lag time between disciplinary action and adding an individual to the list, and also because mistakes and omissions can and do happen, UKC will not guarantee the accuracy of this list. If an individual is in question, customers should call UKC directly to obtain the most up-to-date information regarding that individual's disciplinary status. UKC can only confirm or deny a person's disciplinary status and cannot provide details on that person's case.

The following is an updated list of individuals who have been suspended or barred until the date indicated. During the period of suspension or barring, a person who is suspended or barred may be prohibited from, but not limited to, one or more of the following:

1. They are barred from registering any dogs in their names (joint or individual ownership). They may, however, transfer any dogs currently registered in their names (joint or individual ownership) to another individual(s), except they may not transfer dogs to any member of their families, spouses, or companions. Companion is defined as anyone who resides at the same address as the suspended individual.
2. They are barred from registering any dogs in their names (joint or individual ownership) and they may not transfer any dogs currently registered in their names (joint or individual ownership).
3. They are barred from registering any litters and from signing any litter registrations in any capacity. No offspring of a dog registered in their names (joint or individual ownership) is eligible for registration with UKC.
4. They are barred from entering or participating in any way in any UKC licensed event, including, but not limited to, co-owner, handler, back-up handler, judge, guide, spectator, or UKC licensed official.
5. They are barred from holding office in any UKC approved club or association.
6. No dog registered in their names (joint or individual ownership) may be entered or participate in any way in any UKC licensed event.
7. No championship points, wins toward a title, or monetary payouts from any UKC specialty program will be awarded for any dog registered in their names (joint or individual ownership).
8. They are barred from advertising in any UKC publication or UKC internet site.

Any violation of these sanctions or any other UKC rule or policy during the time period in which the individual is barred or suspended may result in their being suspended indefinitely.

Did You Know ...

UKC offers an Offspring Report that lists the registered names and birth dates of all UKC registered offspring produced by any given dog.

This report also includes:

- The names, cities and states of the registrants of those UKC registered offspring
- The total number of titles earned by those offspring

To order an Offspring Report,
please visit our website at
shop.ukcdogs.com

\$25 per report

REGISTER THE DOG. PRESERVE THE BREED.

GOOD DOGS DESERVE MORE THAN JUST A NAME.

Your hunting dog carries centuries of instinct, breeding, and purpose in its blood. Registration isn't just paperwork—it's preservation.

When you register your dog with the United Kennel Club®, you preserve bloodlines, protect breed standards, and ensure the dogs that come after yours are just as capable as the one beside you today.

A dog without a record is an unfinished story.

ATTENTION ADVERTISERS

YOUR ADS NEED NOT BE CAMERA READY! LET OUR TALENTED DESIGNERS PREPARE YOUR AD TO YOUR SPECIFICATIONS.
Prior to submitting "camera ready" advertising copy to HUNTING RETRIEVER magazine for publication, please call the advertising department at (269) 343-9020 for specific guidelines.

UKC accepts all advertisements placed in HUNTING RETRIEVER in good faith. Purchasers should independently conduct any relevant research needed prior to acquiring animals, products and/or services from advertisers. UKC is not responsible or liable in any way for potential issues arising out of sales by advertisers, including but not limited to: dealings between advertisers and purchasers, actions and promises made by advertisers, or quality of products or animals sold by advertisers.
Please note: The use of trademarked or copywritten material without the authorization of the owner or any licensee is a violation, and leaves the advertiser and publication open to lawsuits, monetary damages and attorney fees.

PHOTO REQUIREMENTS

- Photos sent via e-mail must be at no less than 300 dpi and sent in tif or jpeg format.
- We prefer to not use printouts of low-end digital photos. We will evaluate any that are sent in and notify you if we question the quality.
- We do not accept AI-generated ads.
- If hard copies of photos are being submitted, photos in the form of 35 mm glossy prints reproduce the best. Please note: do not cut your photos. If you want them cropped, just indicate how you want them cropped. We will crop them electronically without harming the original photo.
- Please include a stamped, self-addressed envelope to ensure the return of your valuable photos.
