WELCOME STATEMENT

The Big D HRC would like to welcome you to our 2023 Ted Preston Memorial Hunt Test. We thank you in advance for your interest in the advancement of hunting retriever breeds and expect you'll find both good sportsmanship and retriever training fundamentals on display.

Most of our Big D members and others affiliated with HRC knew Ted well. Many of us have known him a very long time. We trained with him while he contributed to the club, served as a many term board member, provided generous financial support, and most importantly became a friend to all of our members. Ted gave his time to our region, supporting as many area hunt tests as he could and while he was physically able. He willingly served as a judge whenever asked.

Big D awarded Ted lifetime membership early this year in recognition for his commitment to our club. I hope that when future members of the club see his name designated on our roster as "lifetime member" that they will recognize that he must have been very special. We will miss him dearly.

Please remember that the land used to host this test is not club property. We are grateful to have access to it and ask that as visitors you treat the property, the landowner's family and the other handlers you meet traversing the grounds with the upmost kindness and respect.

We also ask that you police your trash, smoke in your vehicle only and try to leave any area better than you may have found it.

This is what you've been training for! The opportunity to test your pups abilities against the recognized standard of excellence. -Please remember to have FUN and to keep our wishes of "Best of Luck and Hope for Success" in mind as you approach the line.

Hunting Retriever Club, Inc.
MEMBERSHIP
APPLICATION

In North America today, there is an organization that was established to test the hunting retriever in a true-to-life hunting environment. This organization, the Hunting Retriever Club, Inc., was created to develop the type of testing that you, and thousands like you, have wanted for years. The Hunting Retriever Club, Inc. (HRC) has established a no-nonsense, true to life, training and testing program where gun dog owners meet, train, learn and test their dogs afield.

The HRC was formed under the auspices of the United Kennel Club, Inc. (UKC). UKC was founded in 1898 as a purebred dog registry devoted to maintaining the inherent working abilities of hunting dogs. UKC sponsors more hunting dog events than any other such organization in the world.

You can renew your HRC membership or join HRC online on [UKC's website](#) by ordering the Hunting Retriever magazine. Each membership includes a subscription to the HRC magazine, which includes training and information articles as well as local Club event results and a list of upcoming events of the HRC local Clubs. You can choose a one- or two-year membership that will begin as soon as your application is processed.

If you prefer, you may use the paper application below. Please include a check or money order payable in United States funds, made out to *HRC, Inc.* or *UKC*. Send the application & fees to:
