WELCOME TO THE 2026 MUDDY WATERS RETRIEVER CLUB HUNT TEST!

We would like to thank our great judges who have volunteered their time to judge for us, as well as club members and non-members, without whom we could not have a successful test.

The Mead Dog Training area is a collaboration of The Mead Grounds Association, an organization made up of area gun dog clubs and the Wisconsin Department of Natural Resources. The grounds are maintained and improved by volunteer efforts of each club, and paid for through member dues, dog fees charged for events held on the grounds **and money raised by donations.**

MEMBERSHIP
APPLICATION

In North America today, there is an organization that was established to test the hunting retriever in a true-to-life hunting environment. This organization, the Hunting Retriever Club, Inc., was created to develop the type of testing that you, and thousands like you, have wanted for years. The Hunting Retriever Club, Inc. (HRC) has established a no-nonsense, true to life, training and testing program where gun dog owners meet, train, learn and test their dogs afield.

The HRC was formed under the auspices of the United Kennel Club, Inc. (UKC). UKC was founded in 1898 as a purebred dog registry devoted to maintaining the inherent working abilities of hunting dogs. UKC sponsors more hunting dog events than any other such organization in the world.

You can renew your HRC membership or join HRC online on [UKC's website](#) by ordering the Hunting Retriever magazine. Each membership includes a subscription to the HRC magazine, which includes training and information articles as well as local Club event results and a list of upcoming events of the HRC local Clubs. You can choose a one- or two-year membership that will begin as soon as your application is processed.

If you prefer, you may use the paper application below. Please include a check or money order payable in United States funds, made out to *HRC, Inc.* or *UKC*. Send the application & fees to:
