Game Bird Identification

Games with Dogs

WISILL Hunting Retriever Club is a family-oriented organization founded by dedicated hunting enthusiasts. Our goal is to promote and encourage hunting with trained hunting retrievers and to improve our hunting experiences through teaching sound and proven retriever training techniques.

Our youth seminar will give participants first-hand experiences on training your four-legged companion, opportunities to learn about waterfowl hunting and conservation, along with many fun, dog-focused activities to help you become a better handler in and out of the field! Your dog is more than welcome, but if you do not have a dog or have a puppy that is too young to participate, it's not problem!

We will have many highly trained dogs available.
